Penn State Indoor Champions Start Quest for Outdoor Title

By JOHN BLACK

Coach Chuck Werner's IC4-A indoor championship track squad will begin its quest for the companion outdoor trophy tomorrow in Thompson Stadium on the grounds of the U.S. Naval Academy with the Middle spikers furnishing the opposition.

The Nittany thunders won their last outdoor IC4-A title in 1954 when they boasted such stars as Art Pollard and Roosevelt Grier. Last spring they wound up second in the trophy chase, placing one individual champion—Jim Norton in the 440-yard dash.

The Wernermen face a tough 5-meet schedule before the IC4-A championships come up on May 29 and 30, but veteran observers are already predicting that this could be the year the Lions regain that trophy.

One of the best home-meet cards in recent years is on tap for the Blue and White spikers this spring.

The first two Saturdays in

IM Badminton Finals to Start Monday Night

Defending Champion "Sammy" Phaungphakdi of Pi Lambda Phi took another step toward his third straight title in Fraternity Intramural badminton action Wednesday. Phaungphakdi won the Flight one title beating Fred Mecklev of Alpha Gamma Rho, 15-0, 15-3. He has allowed a total of only 11 points to be scored against him in six tournament games.

In the Flight two championship, varsity tennis player Jerry Carp of Beta Sigma Rho edged Lou Benzak of Sigma Pi, 15-4, 15-12. Carp and Phaungphakdi will now move into the championship round, where they face each other on Monday.

Dave Anderson of Delta Chi copped the Flight three title defeating Kevin Crowe of Sigma Nu in a three game set, 15-10, 12-15, 15-9. Mel Royer of Alpha Tau Omega, who won his flight last year, had trouble with Lou Papp of Chi Phi, before winning 15-13, 15-12. Royer is now Flight four champ and will meet Anderson in the championship round on Monday.

Palmer Leads Tourney

HOUSTON, Tex. (AP) — Arnold Palmer, the 1957 champion, led a mammoth assault against the sprawling Memorial Park course yesterday by scoring a six-under-par 66 for the first round lead in the \$30,000 Classic Golf Invitational.

May the Lions meet two powerhouses from the Big 10—Ohio State and Michigan State. On May 2, the Buckeyes will visit Beaver Field and the following week the Spartans come to town.

The Nittany varsity finishes off its home and dual meet slate on May 23, when it plays host to the Jaspers of Manhattan, runners-up in the IC4-A indoor festival in February.

But the first and immediate obstacle in the Lions' path is the Navy meet.

Last year the Midshipmen sank the Lions' opening day hopes by nipping the Blue and White cindermen, 69-62, on Beaver Field. The Middies compiled most of their point advantage in the field events, and that is their strong point again this year.

Three of the Navy pole vaulters are capable of topping the 13½-foot mark. Their top shot-putter has exceeded 50 feet and their javelin ace has hit 183 feet. The winning Navy high jumper against Pitt cleared 6' 2", and the broad jump winner leaped 22' 2".

Coach Werner has three 13-foot vaulters on his squad in the persons of Dick Gross, Ron Beard and Dale Peters to stalemate Navy's attack. Likewise, John

Tullar has the potential to toss the iron ball 50 feet and spear thrower Jim Schwab has already registered a 185' 11" toss this spring.

The Annapolis men, however, cannot match the Lion strength in sprints and middle distance races—Bob Brown, Blaine O'Connor and George Metzgar in the sprints and Dick Hambright, Don Davies, Bill Schwab, Chick King, Dave LaHoff and George Jones in the quarter and half.

Captain Ed Moran makes the Lions the favorite to win the mile and Fred Kerr, Dick Engelbrink and Dennie Johnson will tangle with a fast Navy two-mile crew.

Entries for IM Soccer Due on Wednesday

Entries for IM soccer must be turned in by 4:30 p.m. Wednesday at the intramural office in Rec Hall. A \$1 entry fee is required for each team.

Five players make up a team but it is urged that each team carry a few substitutes because of the strenuous activity involved. Varsity players and freshmen letter winners from last fall are ineligible to play. The games, which will start at 6:15 p.m., will be played on Beaver Field, beginning April 27.

Linksmen to Oppose Mountaineers, Hoyas

The Nittany Lion linksmen will try to return to the win column this weekend when they face West Virginia, away, tomorrow and the Hoyas of Georgetown, Saturday, on the Lion golf course.

Coach Joe Boyle does not know too much about the Mountie septet since they are not in the EIGA and do not face too many Eastern opponents.

Since 1941, the first meeting between the two clubs, the Nittanians stand 4-0. The last time the teams met was in 1956. In this match, the Lions downed the Mounties 7-0. Incidentally, Bill Davidson, in his rookie season, downed his West Virginia opponent by a large margin.

The Georgetown Hoyas are another tough opponent that the Blue and White will face this season.

The only information the Lion coach has on the Hoyas is that they beat Washington and Lee by a 4-3 score. On the other hand Washington and Lee lost to the Maryland Terrapins, 4-3 while the Lions suffered a 6-1 defeat at the hands of the Terps.

TEE SHOTS — The Nittany Lions, in 22 years of play with Georgetown, have a 10-12 record . . . The Lions lost their first match to the Quakers of Penn in 19 years last Saturday . . . Coach Joe Boyle has a 19-3 record in his two-and-a-half years at Penn State . . . Both of Boyle's teams have finished second in the EIGA championships . . . In last year's Easterns, Lion captain Bill Davidson, defeated teammate John Felus in the semi-finals to advance into the finals.

H-Ball Doubles--

(Continued from page nine) 21-4, 21-17; and basketball forward Paul Sweetland teamed with Ron Griffith to upend Zeta Beta Tau's Ted Steinman and Fred Ochroch 21-11, 21-3.

Dick Barth and Ed Zimmerman of Theta Chi smashed Beta Theta Pi's hopes of sending two combinations to the flight championships by beating Charles Welsh and John Urban. Their play marked the night's closest battle before the Theta Chi's eked out

Shirt Satellite Launched!

The first Shirt Satellite is finally a reality! Just yesterday, during their lunch hour, Van Heusen scientists launched a Van Heusen Century Shirt into the stratosphere. It's now circling the earth 180,000 miles up, in an orbit so large that a grown man couldn't walk it, even in a whole day! Traveling at the legal 35 miles per hour, it is expected that the Van Heusen Century Shirt Satellite will remain up there in the blue beyond for at least 1200 years. And, with luck, maybe 1201.

"But," you will ask, "what value will the Shirt Satellite have for science?" Just this, friend! It will further prove the immutable law that the soft collar on Van Heusen Century Shirts won't wrinkle . . . ever! You see, the slick Van Heusen physicists have attached an electronic Wrinkle-rieter to the collar of the Van Heusen Century

Shirt. This clever device will constantly send back electronic reports on the condition of the collar, so, for 1200 years, we earthlings will have absolute proof that the soft collar on Van Heusen Shirts won't wrinkle . . . ever. Should you ever have any doubts, just drop in to the Van Heusen office, and listen to the reports coming back from the Shirt Satellite.

One more thing—the Van Heusen Century Shirt Satellite will drop back to the earth in the spring of 3157 (possibly 3158) and you're all invited to the return party! If, in the meantime, you want to see the Van Heusen Century Shirt, you can at your campus haberdashery. He has them in 5 collar styles, in white, stripes and colors. \$4 & \$5.
