The job of providing a big, new modern Murphy's for your shopping pleasure has really just begun. However, the new building is completed and the entire store has been moved into the new building to permit reconstruction of the old store building.

When completed 22,051 square feet will be devoted to the spacious selling floors, large 33 stool snack bar and all the modern conveniences for a truly complete variety store. Self-selection in many departments will be a feature of the new Murphy's.
