Engineers and scientists are in the greatest demand, he said, and there is an increased demand for teachers especially on the secondary school and

Conege levels. Teachers of art, biology, chem-istry, English, foreign languages, home economics, mathematics, vocal music, girls' physical edu-cation and physics are most des-perately needed in the secondary field, according to Leetch. There is also a constant demand in library, reading, special educahbrary, reading, special educa-tion, school psychologists and speech education and for sccondary principles, he added The college demand,

Leetch said, centers around English, en-gineering, mathematics and the hysical sciences.

Most employers are requiring that male students spend a year with them before entering the

Glee Club Concert To Feature Quartet

The Glee Club will feature its Varsity Quartet in a free concert to be given at 3 p.m. Sunday in Schwab Auditorium.

The quartet will sing "Spigot and the Bung," a drinking song, the title song from "Gigi," and "The Way You Roll Your.
