

# Werner Revises Lineup For Spartan Spike Meet

By JOHN BLACK

Track mentor Chick Werner has made several changes from last Saturday's lineup in placing his runners for the meet with Michigan State tomorrow on Beaver Field.

Penn State track fans will see different runners in four events when the Lions encounter the undefeated Spartans. The mile, 2-mile, 880-yard and 440-yard entries will be realigned for the Nittany spike aggregation.

Dennie Johnson and Herm Weber will replace Dick Engelbrink and Chick King in the mile run. Engelbrink and King will thus be relieved of this event so that they can concentrate on their specialties. Captain Ed Moran will head the Lion mile entries.

Engelbrink will run only in the 2-mile where he will meet his stiffest competition of the year in the Spartans' Fordy Kennedy. Engelbrink, IC4-A indoor 2-mile titleholder, has registered a best outdoor time of 9:12.8 this spring. Kennedy was the NCAA cross-country champion last fall and boasts a top career clocking of 9:04.3 for the distance. Engelbrink's release from obligations in the mile will allow him to go all out in the longest distance run.

Engelbrink will be joined in the Nittany lineup by distance ace Fred Kerr, who ran in the 880-yard run against Ohio State.

King, who doubled in the mile and 2-mile against the Buckeyes, will return to his old race—the half-mile. King ran the season's eighth fastest half-mile in the country when he set the Navy track record in a dual meet with the 'Middies in April. George Jones, who picked up a third place last week, and Bill Schwab will be the other Lion 880 entries.

Other Lion changes are in the quarter-mile where Don Davies and Dave LaHoff will run in place of hurdler Bob Szezyler and Schwab. The 440 threesome will be paced by last week's winner, Dick Hambright.

Davies won the 880 last Saturday with a fast time of 1:54.1 and adds strength to the Lion 440-yard entry.

With Werner's revised lineup, one of the middle and long distance runners will have to double in running events.

The sprint trio of Bobby Brown, Blaine O'Connor, and George Metzgar will run the 100 and 220-yard dashes for the Nittany spikers.

Brown was a double winner in

these events last week with the sparkling times of 9.6 for the 100 and 20.9 for the 220. O'Connor placed second in the 100 and third in the 220.

Bob Szezyler heads the list in the 220-yard low hurdles. He will be backed up by John Ferreira and Dave Truitt who will double in the lows and the highs. John Williams will be the third Lion entry in the 120-yard high hurdles.

Szezyler won the lows against the Bucks in 25.1 seconds and Ferreira gained an upset win in the highs with a clocking of 15.3.

The javelin throw will feature the Lion triumvirate of Andy Nyce, who won the event at Navy, Bill Schwab, who captured the Penn Relays crown, and Jon Musser, who recorded the winning toss against Ohio State.

Pole vaulters Ron Beard and Dick Gross, who tied with the Bucks' Dick Bowers, at 13' 7 3/4" last week, felt confident that they can clear 14 feet tomorrow. Dale Peters is the third member of the Lions' outstanding vault crew.

John Tullar and Nyce will hurl the shot and discus and will be joined in the latter event by Musser and Jim Wambold. Tullar flipped the shot 50' 1/4" for a gold medal in the Ohio State meet and also took a second in the discus.

Mel Ramey and John Ferreira will high jump for the Nittanians and Ramey and Gross will handle the chores at the broad jumping pit.

## Freshman Nine to Play Juniata JV's at Home

The Nittany Lion freshman baseball team will play the Juniata College JV's at 3:30 p.m., today at Beaver Field.

The Cubs have a 2-1 record going into today's game.

# Jacobs Leads In Okla. Golf

OKLAHOMA CITY (AP)—Young Tommy Jacobs slammed in two eagles and four birdies to take the first round lead yesterday in the \$25,000 Oklahoma City Open Golf Tournament with a sizzling six-under-par 66.

The 24-year-old Whitier, Calif., sharpshooter, now in his second year on the Professional Golfers Assn. tour, whittled the tough Twin Hills Country Club course down to size and managed to gain a one-stroke lead over veteran Pete Mazur of Buffalo, N.Y.

It was a day of disappointment for most of the field of 150 players. The tightly-designed 6,604-yard course with its par of 36-36-72 turned back the challenge of some of the game's greatest shot-makers.

Mazur's round includes six birdies and one bogey. His birdies came on putts of 10 to 15 feet and a sand trap was responsible for his bogey.

## 2nd Best LaX Season

In 1946 State enjoyed its second best season in lacrosse history with seven victories in ten games. Losses were to Army, Navy and Johns Hopkins.

# Baer to Coach North In All-Star LaX Tilt

By BILL BARBER

Coach Earnie Baer, Penn State lacrosse mentor, has been selected as an assistant coach for the North team in the annual North-South All-Star game to be played June 5 at Johns Hopkins University.

This year's game will be played under the lights on Hopkin's Homewood Field, with play getting under way at 9 p.m.

Ben Martin, coach of the Massachusetts Institute of Technology lacrosse team, has been named head coach of the North team. Jim Adams, Army's coach, was also given an assistant coaching spot along with Baer.

For the South team, Charlie Wentzel, the Loyola coach, was given the head coaching job. Howard Knuttgen, Ohio State's coach, and Eugene Corrigan, the Washington and Lee mentor, were named as assistant coaches for the South team.

The North team as well as the South will be made up of 21 senior players, who will most likely be playing in their last game. The head coach of each team along with the recommendations of his assistant coaches, selects the 21 players for his respective team. These selections should be announced by May 20.

Each team is composed of nine midfielders, five defensemen, five attackmen, and two goalies. This year's team will be picked out of 35 players that have been nominated.

On June 2 the two teams will meet in Baltimore for three days of practice sessions before the game on June 5.

The North-South game is always well publicized in the Baltimore area as is evidenced by the thousands of people who turn out for the games.

This game is for the most part a publicity stunt used to promote the sport of lacrosse. The contest helps to bring in revenue for the United States Intercollegiate Lacrosse Association. Several colleges bid yearly for the honor of holding the game on their respective campus.

This year's game will most likely prove to be a tie breaker as each team has registered eight wins in the 17 years with one game going to a 14-14 tie.

In last year's game, the South team scored a complete romp as they walloped the North, 26-6. According to Jack Kelly, editor of the Lacrosse Newsletter, the

South fielded one of the strongest teams in the history of the series as their over-all power completely stymied the North aggregate.

The only Lion player on the North team that year was midfielder Fred Donahoe, who was named as an All-American honorable mention midfielder.

# Alpha Chi Sigma Stops Sigma Pi In IM Soccer

Sigma Pi, in a hard fought IM soccer tilt last night, lost to Alpha Chi Sigma by a score of 3-2. In the first half, the lead switched back and forth several times as both teams displayed strong offensive maneuvers.

Alpha Chi Sigma entered the scoring column in the first minutes of the game as they quickly booted in a goal from about 10 feet out. Sigma Pi then took command as they suddenly broke loose for a goal and a corner kick to take a one to nothing lead. They then closed out the first half with a second corner kick to make the score 2-0.

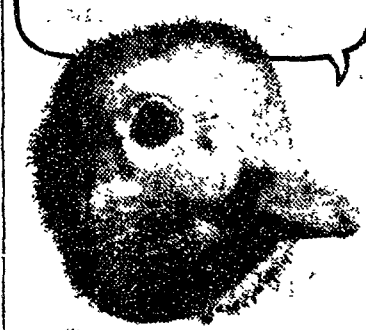

In intramural soccer there are two methods of scoring. The first and most important is the goal. The second device is a corner kick. A corner kick is scored when the defensive team knocks the ball out of bounds between the foul lines at their end of the field.

In the opening minutes of the second half Sigma Pi saw its lead disappear as Alpha Chi Sigmas quickly picked up three corner kicks to take a 3-2 lead which they never relinquished.

In other IM soccer action last night Beta Theta Pi made a run-away of their game with Phi Sigma Delta as they amassed five goals to win by a score of five to one.

Navy won their first game last night in a low scoring tilt with the Vulcans. Corner kicks made the difference for Navy in their 2-1 victory.
