

Stickmen Seek 5th Win Davidson to Defend EIGA Title At Swarthmore Today

By BILL BARBER

The Penn State lacrosse team will be out to snap its two game losing streak today when it meets a tough Swarthmore squad on the Garnet's home field in Philadelphia.

Swarthmore brings a 7-1 record into today's game, while the Lions are struggling to stay in the winning bracket with a 4-3 mark. They dropped their last two games to Syracuse and Maryland.

The only loss Swarthmore suffered this year was a 13-3 drubbing by Washington College, a team which placed second in the Laurie Cox Division last season. This is the same division in which the Lions placed seventh.

Among Swarthmore's seven victories this season were wins over Loyola, 6-2, and Penn, 8-6. Both of these teams are squads which the Lions laced soundly in the season.

Another important win was a 16-0 pounding the Garnet handed Dickinson. Last year Dickinson edged the Lions, 8-7, to finish out the season with a 9-2 record.

Coach Ave Blake has 12 lettermen returning from last year's squad. All-American defenseman, Tom Stevenson, captains this year's aggressive team.

The attack was listed as the Garnet's weakest point in early predictions but has proven stronger than expected. Sophomore Dick Quarles and junior Bob Heaton form the nucleus of the attack and are second and third high respectively in scoring this season. John Darley rounds out the attack unit.

Terry Maisel, a former high school All-American and soccer ace, heads the midfield aggregate. He is also the team's high scorer with 20 goals in eight

games. Football speedster Billy Robinson and junior Bill Boehmler complete the first midfield.

Defensively, Stevenson and griddler Scotty Hildum team with converted midfielder Dave Griffiths to give the Garnet a solid back three.

Dave Fetter and Bob Simpson will alternate in the nets for Swarthmore.

Lion Coach Earnie Baer plans to use a team defense today in an attempt to revamp the Lion defense which made such a poor showing against Syracuse and Maryland.

"It's a gamble we couldn't use against Maryland, as they could dodge past us and score," Baer said.

Another switch that Baer plans to make is to use Bob Swanson on attack after the second midfield comes in.

The starting attack should once again find co-captain John Behne, Jim Kane and Jim Winpenny in their respective slots.

The midfield will most likely see Swanson, Henderson, and Dick Bullock in the starting positions. Ray Tuleya, Gove Elder, and Dick Hammond will make up the second midfield unit.

On defense co-captain Dick Dill and Dave Erwin will handle the brunt of the defensive work with Mike Beattie and Andy Moconyi trading on and off in the remaining defense slot.

A flip of the coin should decide who will start in the goal as neither goaltender proved effective in the Syracuse and Maryland games. Dave Wilkinson will most likely get the starting nod with John Gastella filling in if the going gets tough.

Last year the Nittany Lions Bill Davidson won the Eastern golf championship. However, this year Golf Coach Joe Boyle does not think that Davidson will have an easy time.

"This year the competition for the individual title will be hot. There are many men in Eastern golf who will give Davidson a rough battle," Boyle said.

According to Boyle, one of the chief contenders for the Lion captain's crown will be Don Norbury of Penn. Norbury has excelled in medal play so far this year, shooting an

average of 71 for twelve matches. Norbury has also gone undefeated this year in dual meet play.

The Quakers also have two other players who might qualify for the individuals. They are Bob Goldsamt and Bob Roy. Goldsamt has an average of 72 for the season and has lost only one match.

Roy, with an 8-4 record, has shot consistent 73 rounds for the season.

Another top Eastern performer is Warren Simmons of Syracuse. Although Simmons lost to Davidson, he has played consistently good golf. Two years ago he won the EIGA and the NCAA championships.

Boyle does not know offhand of anyone from Princeton who could be rated as a threat. However, he thinks that anyone on their team can come through with a surprise showing because they are the home team.

However, even with all the superior performers entered, Boyle does not want to discount Davidson's chances. "Even though it will be rough, I believe Bill is equal to the task," Boyle added.

Davidson has a 5-3 record in individual match play and has been known to shoot some very fine clutch golf. Boyle seems to think that when the pressure is on, Davidson is at his best.

Net Forces Seek 2nd Win Today

Penn State's varsity tennis team goes after its second victory of the season this afternoon when it meets the Orangemen of Syracuse on the Nittany Field courts at 2 p.m.

The netmen have suffered six consecutive setbacks, administered by Maryland, Army, Georgetown, Bucknell, Lehigh and Navy. These defeats, added to their opening loss to Cornell, have totaled a dismal season record for Coach Sherm Fogg's netters. Only a weak Juniata force has succumbed to the Nittanies.

Defeating the Orangemen won't be an easy task, for Syracuse mentor Gene Garrett has back last year's entire squad.

Led by veterans Al Maguire and Dick Morey, who will play in the number one and two positions, respectively, the central New Yorkers will be out to avenge last year's 7-2 loss handed them by the Lions.

Garrett, now in his fourth year as Syracuse net coach, also has returning lettermen Bud Pirone, Tom Rosenthal, Bill Seager and Dick Young to complete his team.

Senior Supan Jotikabukkama, whose home is Bangkok, Thailand, and promising sophomore Jack Frier also stand a chance of crashing the starting lineup.

In an attempt to secure victory number two, Fogg has again adjusted his singles lineup.

Sophomore Dick Ludwig will handle the number one position and will be backed up by Junior Jerry Carp and Captain Chuck Bibleheimer in the number two and three positions, respectively.

Rounding out the lineup in order of position are Gary Moore, John Krall and John Bianck.

Fogg, although admitting that Syracuse is capable of fielding a fine team, is generally optimistic of his team's chances. This optimism was indicated when he failed to disclose starting doubles combinations. He commented if things go well enough in the singles, I'd like to give some of the other fellows a chance to play.
