

SGA Backs 3 Insurance Programs

By CAROL BLAKESLEE
The Student Government Association Assembly decided last night to offer all three plans of the Student Insurance program again next year, thus voiding a bill passed by the former All-University Cabinet to eliminate one of the plans.

The plan for a Student Check Cashing Agency was not brought up at the Assembly. It will be discussed at an open meeting at 8 p.m. Sunday in 217 Willard. All Assemblyman and anyone else interested may attend.

Russ Connelly, chairman of the Student Insurance Committee, told the Assembly that the former Cabinet had passed a bill deleting Plan II which offered only a major medical program and no basic insurance.

Connelly recommended that the Assembly reinstate Plan II and, instead, delete Plan III. Plan III, he said, was "deceiving" to the students.

Since it is the least expensive of the three plans, he said, many students buy it even though it offers no major medical plan. He warned that a student covered by this plan, if involved in a serious accident, would probably have to pay most of his own costs.

After debate, however, the Assembly voted against the elimination of any of the three plans. Several Assemblyman said they thought it would not be fair to limit the choice so greatly.

Connelly said 4140 students were enrolled this year in Plan I, which offers both a basic plan and a major medical plan. Fifty students enrolled in Plan II and 276 in Plan III, he said.

'Snarf' Voting To End Today

Penny-voting in the Professor Snarf contest will end today.

Students may vote for their "most lovable prof" at the booths on the Mall and downstairs in the Hetzel Union Building. All proceeds from the contest will go to the World University Service, a fund for students and schools in foreign countries.

After yesterday's results, David W. Russell, professor in the College of Education, is in the lead with 2072 votes. J. Harris Olewne, College of Chemistry and Physics, is second with 1919 votes. Ralph H. Wherry, College of Business Administration, is third with 1729 votes.

Deibler Elected KTA President

William Deibler, junior in journalism from Altoona, has been elected president of the University chapter of Kappa Tau Alpha, national journalism scholarship society.

Karl Bopp, junior in journalism from Drexel Hill, was elected vice president; and Lois Neubarth, junior in journalism from East Orange, N.J., was elected secretary-treasurer for the next year.

The three officers were members of a group of seven students recently initiated into the society. Other initiates are Robert Franklin, senior in journalism from Glenside; Lois Clark, senior in journalism from Bellefonte; William Crist, junior in journalism from Harrisburg; and Ralph Godshall, graduate student in journalism from State College.

Delta Nu Alpha to Hold Transportation Meeting

The Penn State chapter of Delta Nu Alpha, transportation fraternity, will hold its third annual Transportation Convocation tomorrow.

"Transportation Decisions—The Case Study Approach," will be the theme of the program.

An executive meeting of the national officers of the fraternity will also be held.

CE Prof to Give Paper At Purdue Conference

John B. Nesbitt, assistant professor of civil engineering, will present a paper entitled, "The Aerobic Metabolism of Potassium Cyanide," at the 14th annual Purdue Industrial Waste Conference this week.

The paper is a report on a University research project sponsored by the National Institute of Health. Its purpose is to determine information leading toward the possible biological treatment of industrial wastes containing cyanide.

Lost Comode Causes Commotion at Ogontz

Things have been amiss at the Ogontz Center. The missing item was a toilet from a men's lavatory.

The thief or thieves took a brand new toilet and left a 5-inch hole in the floor. It took five days for the maintenance men to locate the toilet.

But it was found in time in the Student Union Building Dorms, installed in a student's bathroom. Investigation is under way to discover what happened to the original toilet in that room.

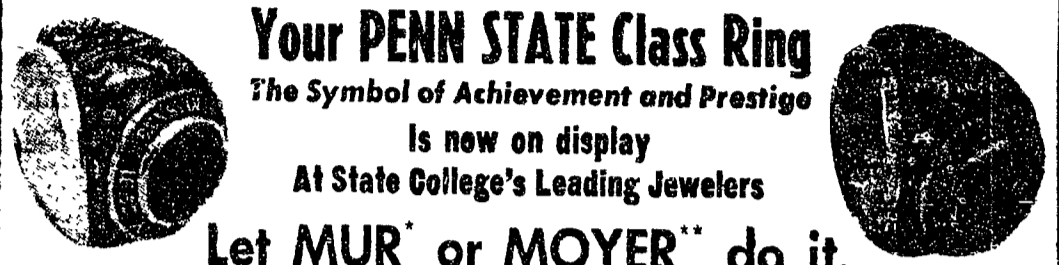

Williamson Will Attend Engineers' Convention

Dr. Merritt A. Williamson, dean of the College of Engineering and Architecture, will attend the annual convention of the Pennsylvania Society of Professional Engineers at Washington, Pa., today.

Yearbook Pictures

Juniors who will not be on campus the first eight weeks of the fall semester should go to the Penn State Photo Shop to have their portraits taken.

Activity cards will be available to fill out.

HOW TO MAKE \$25

Take a word—*substitute*, for example. With it, you can make an artificial hedge (*shrubstitute*), a washing machine (*tubstitute*), an English lemonade stand (*pubstitute*) and dehydrated food (*grubstitute*). That's Thinklish—and it's that easy! We're paying \$25 for the Thinklish words judged best—*your* check is itching to go! Send your words to Lucky Strike, Box 67A, Mt. Vernon, N.Y. Enclose your name, address, college or university and class.
