

Herter Warns Russia Of Split Germany Harm

GENEVA (AP)—U.S. Secretary of State Christian A. Herter warned the Soviet Union yesterday that prolonged partition of Germany will bring "disaster for those that stand in the way" of unity for the 72 million Germans.

Herter told the Big Four conference that the Soviet Union

Dulles Receives Freedom Medal

WASHINGTON (AP) — John Foster Dulles, near the end of life, has now been awarded the highest decoration an American civilian can be given for service to his country—the Medal of Freedom.

President Eisenhower bestowed it on his former secretary of state in an unusual sort of way.

The President had his son and aide, Maj. John Eisenhower, take the medal to Mrs. Dulles Tuesday. Then she presented it to her husband in his sickroom at Walter Reed Army Hospital.

The State Department said yesterday there has been no change in his condition since Tuesday, when he was reported to have grown worse for the second time in five days.

A note from Eisenhower, addressed to "Dear Foster" and signed "with warm regard, as ever, D. E." said:

"It is an honor and a privilege to award you this Medal of Freedom.

"Inadequate though it is to express my gratitude and the gratitude of the nation you have served so well, it does stand as a small token of the affection and esteem that the people of America and the world hold for you and your tireless efforts on behalf of freedom."

Hoffa Denies Threat Of Nationwide Strike

SAN FRANCISCO (AP)—Teamster President James R. Hoffa yesterday denied he made a threat to call a nationwide strike if antitrust laws are applied to unions.

In Washington, the Senate rackets probers said they would ask him about the reported threat.

Reports that Hoffa made such a threat Tuesday in a speech at Brownsville, Tex., drew strong criticism from Secretary of Labor James P. Mitchell, AFL-CIO President George Meany and others.

Hoffa, in San Francisco to confer with Teamsters officials and speak at the University of California, called a news conference at his hotel.

"There would never be a nationwide strike of the Teamsters Union. I cannot speak for other unions," Hoffa said.

Robert F. Kennedy, counsel for the Senate rackets probers, told

apparently considers "its security interests are better protected by perpetuating the partition of Germany."

The lanky New Englander served notice to Soviet Foreign Minister Andrei Gromyko that the Western powers are not prepared to give up their insistence that Germany be reunited.

In a solemn appeal to Gromyko to negotiate a German unification, Herter said:

"It is the teaching of history that the artificial partition of a strong and vigorous people can only result in disaster for those that stand in the way of their reunification.

"Only the whole German people can be entrusted with the task of determining the future of the German nation."

In a quick rebuttal Gromyko pressed the Western ministers to accept the Soviet plan for a peace treaty with each of the two German states, still separated by the Iron Curtain.

Gromyko argued that this would pull Communist East Germany and the Bonn Federal Republic together and permit eventual unity through their own negotiations.

SF Snaps Braves Streak

SAN FRANCISCO (AP)—San Francisco snapped Milwaukee's 6-game winning streak yesterday stopping the Braves 6-3 on 7-hit pitching of Mike McCormick and the bat of Felipe Alou.

The loss cut the Braves' National League lead to 3½ games.

Alou, starting his first game in 10 days, put the Giants ahead 2-0 with a 2-run homer in the fourth and drove in Willie Mays with a double in the Giants' 2-run sixth. Alou collected 3 hits, including his seventh homer.

2 Policemen, Woman Shot; Gunman Slain

LAFAYETTE, La. (AP)—A part-time Negro field hand, armed with two shotguns and a .22-caliber rifle, shot and killed a white woman yesterday and killed two policemen in a two-hour siege before he was shot to death.

Albert Victor, about 40, was killed by police bullets in the head and stomach after he had killed Mrs. Paul Ducharme and Capt. Harold Abadie and Sgt. Leroy King.

He fought officers for two hours after barricading himself in his two-room, wooden frame house. More than 50 officers converged on the house, tossing tear gas shells and hand grenades into the dwelling trying to get Victor to surrender.

Khrushchev Foresees No War

MOSCOW (AP) — Nikita Khrushchev predicts the United States and the Soviet Union will never go to war but says communism may take over America some day in a battle of better living standards.

The Soviet Premier held a 70-minute Kremlin interview Tuesday with 45 visiting business and professional men from Florida. They are on a tour sponsored by Ralph A. Rennick, vice president of TV stations WTVJ of Miami. Khrushchev, during the session, predicted communism eventually will replace capitalism and said: "If it is proved that communism can do more for the welfare of the people, then no rocket can hold it back. No ideas can be held back by guns."

TILL WE MEET AGAIN

This is the last column of my fifth year of writing for Philip Morris and Marlboro. I have made it a custom in the last column of each year not to be funny. I know I have also realized this aim in many other columns during the year, but that was not for lack of trying. Today I am not trying. I am not trying for two reasons: First, because you are getting ready for final exams and in your present state of shock, nothing in the world could possibly make you laugh. And second, this final column of the year is for many of us a leave-taking, and good-byes always make me too misty to be funny.

For me the year ends neither with a bang nor a whimper, but with a glow—a warm, pleasant, mellow glow—the kind of glow you will find, for example, at the end of a Philip Morris or Marlboro.

It has been in every way a gratifying experience, my five years with the makers of Philip Morris and Marlboro, and I would like to take this opportunity to extend my heartfelt appreciation to these good tobaccoists, to assure them that the memory of their kindness will remain ever green in my heart, and to remind them that they still owe me for the last three columns.

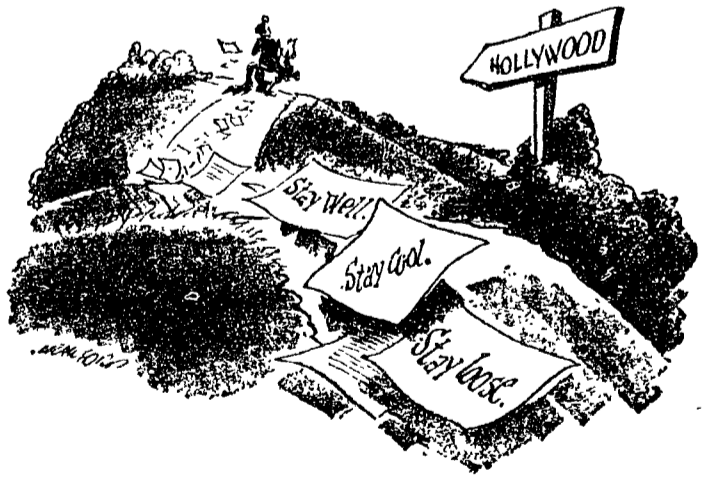

And in these waning days of the school year, let me address myself seriously to you, my readers. Have I trod on any toes this year? Ruffled any feelings? Jostled any sensibilities? If so, I am sorry.

Have I occasioned any laughs? Chuckles? Sniggers? Mona Lisa smiles? If so, I'm glad.

Have I persuaded any of you to try Philip Morris and Marlboro? To taste that fine flavor? To smoke that excellent tobacco? If so, you are glad.

And now the long, lazy summer lies ahead. But for me summer is never lazy. It is, in fact, the busiest time of year. Two summers ago, for instance, I was out ringing doorbells every single day, morning, noon, and night. There was a contest, you see, and the kid in my neighborhood who sold the most bluing won a pony. I am proud to report that I was the lucky winner.

Last summer I was also out ringing doorbells every single day, morning, noon, and night. I was trying to sell the pony.

This summer I am not going to be out ringing doorbells. I am going to saddle the pony and ride to Hollywood, California. What am I going to do in Hollywood, California? I am going to write a series of half-hour television comedies called THE MANY LOVES OF DOBIE GILLIS, and starting in October, 1959, your friends and mine, the makers of Philip Morris and Marlboro, are going to bring you this program over the Columbia Broadcasting System every Tuesday night at 8:30. Why don't you speak to your housemother and ask her if she'll let you stay up to see it?

And now good-bye. For me it's been kicks all the way, and I hope for you it hasn't been altogether unbearable. Have a good summer. Stay well. Stay cool. Stay loose.

For us, the makers of Philip Morris and Marlboro, it's been kicks too, and we would like to echo kindly old Max's parting words: Stay well. Stay cool. Stay loose.
