

Amato Leads DU To IM Field Sweep

By DICK GOLDBERG

Delta Upsilon and Benny Amato had a good night at Beaver Field yesterday.

Amato, setting a new high jump record and winning the broad jump, led the DU's to a clean sweep of the IM field events.

Amato cleared the bar at a measured 6'13 3/4" to break the record of 5'10 3/4".

The bar was first set at five feet. However, Amato passed up his jumps at the 5'1" and 5'2" marks. After that, he never missed a jump until he was declared winner of the event at 5'10".

Upon Amato's request, the bar was put up to a record height of 5'11". On his first try, he cleared the bar with inches to spare. The bar was continuously raised until he failed in his third attempt for the 6'2 3/4" mark.

In between all this action, Amato found time to enter the broad jump. And he won it with a 20'4 1/2" leap. This is only 7 1/2 inches off the previous IM record.

The amazing thing about the jump was Amato only took one out of the required three leaps to win the event. He went over to the broad jump pit, took his jump, and returned to the high jump event in time to set his record.

Gove Elder completed the sweep for DU when he put the shot 39'11". Second went to Dick Bartolazzi. Theta Chi, with a 39'6" heave. Both of these marks came on the first

attempt out of three allowed.

Bartolazzi threw first, followed by Elder. Elder's put angled off to the left, and was just enough to clear the preceding heave.

In the independent shotput there was also interesting competition. Steve Kerr unloosed a mighty heave, sending the 16 pound iron sphere 40'8". Tied for second were Bob Lugo and Herb Knappenburger who threw 36'1".

In the independent high jump, a close race between George Hammond and Harry Barton, co-defending champs from last year, was in the making. Both men were tied going for the 5'10" mark.

Barton missed his chance and Hammond had taken two of the three allotted turns. On the third he just barely cleared the bar. He did not clear the bar at the next standard.

What's This! Yanks Drop To Last Place

NEW YORK (AP)—Eddie Yost drove in 6 runs with homers and a single to help plunge the World Champion New Yorkers to the American League cellar yesterday for the first time in 19 years.

The Detroit third baseman's assault included a grand slam homer as he led the Tigers and Yankee-killer Frank Lary to a 13-6 slaughter.

It was the third straight defeat for the Yanks and dropped them from seventh place to eighth in an exchange of positions with the Tigers. They are tied in games but the Tigers moved seven percentage points ahead.

The last time the Yankees were in last place at this stage of the season was May 25, 1940. The only other times since then that they have been last were in the early days of the season when only a few games had been played.

Phi Ep Pair Captures IM Tennis Doubles Title

In a grueling 3-hour match yesterday on the Nittany tennis courts, Al Kamis and Gene Greenberg of Phi Epsilon Pi captured the intramural tennis doubles title by defeating Tom Brandeis and Dick Haber of Beta Sigma Rho, 10-8, 4-6, 6-4.

The first set, which lasted over an hour, saw the pair from Phi Ep come from behind to outlast the Beta Sigs, 10-8. The net work of Greenberg was outstanding in this first set. He kept the Phi Ep twosome in the running several times during this set with his daring play.

The pace was very fast and by the middle of the second set the hot sun began to catch up with the netmen. Smelling salts had to be administered to Greenberg to keep him going.

In the second set the consistent

KAMIS GREENBERG

Phi Eps poured on the steam and won the next three games to win the set and match.

The turning point of this deciding set was in the eighth game. Greenberg took the offensive and forced the game with his hard slams. Kamis was also sharp in his defensive backcourt play. Haber became erratic in this set and Brandeis did not play with consistency. "They played on the defense too much and as a result set us up for easy slams," said Greenberg after the match was over.

teams ever to come out of the East. Our only regret is that the Collegian stops publication before the IC4A's and NCAA's. What honors may lie in store for the Lion spikers at these eastern and national championships?

If the University hierarchy sends to the national championships all the men that deserve to go, watch out for a darkhorse named "Nittany."
