

## 5 Seniors Get Thespian Trip

The Penn State Thespian Club has awarded its annual 8-day, all-expense-paid trip to New York City to five of its outstanding senior members.

Those selected to receive the award are Bryna Nelson, Nancy Kauchak, Robert Piccone, Kenneth Todd, and Richard Watson. The selections are made primarily on the basis of maximum participation in Thespian productions during the senior's undergraduate years. Both Piccone and Todd have participated in eight Thespian shows while the rest have been in six shows.

The seniors will leave on May 30th and will see such Broadway shows as "Music Man" and "My Fair Lady."

Ray T. Fortunato, club advisor and director of employment relations, and his wife will accompany the group on their trip.

## Faculty Members Attend Discussion

Donald C. Jones, director of Mineral Industries Extension, and John J. Schanz, Jr., associate professor of mineral economics, were invited to participate in a group discussion of Acid Mine Drainage held at the Mellon Institute last Friday. The discussion included the fundamentals of acid formation, geological conditions, the results of abatement programs attempted in the past, the research at Mellon Institute during the past 13 years and possible research in the future.

## Through the Looking Glass

with Gabbi

The column today is dedicated to you graduating Seniors—you staunch, eighth semester students who have braved the perils of life on a big bad campus for four years. Battle-scarred? Yes! But beaten? No, by cracker! You're looking to the future—to bigger and better things. Good luck to you all in future years . . .

### BON VOYAGE

Taking a grand tour before you start work this fall? Paris, Madrid, South Bend, Pakistan? Tote your belongings in cotton-weight fiberglass luggage. The entire set is available at Ethel's all the way from make-up bag to pullman case.

### STILL JOB HUNTING?

If you're one of the unlucky (or lucky depending on how you look at it) that haven't been placed by the placement service, maybe you aren't using the right approach. Have you looked at your tie lately? Is it droopy and egg-stained? Well now, Ethel and I have got the answer to your problems. We've got hand-loomed silk ties in stripes, prints, checks, and solid colors. You gals aren't left out either. For only \$1.25, you can buy a charming women's tie which can also be worn as a belt or perk up a white skirt and blouse combination.

### FOR AN EVENING OFF

Make sure you stop in Ethel's to see her fabulous collection of evening bags. Some beaded, some gold mesh, but all beautiful. Make a stop at perfume counter for a sample whiff of "Tapestry" by Mary Chess. It is sold in a set with two sachet pillows.

Have a great summer, and first thing next September, stop in to say HI! to Ethel and me.

So Long,  
 Gabbi

"adjusts to every beard in the booth!"

Ask for the shaver that adjusts to any shaving condition, to every skin and beard. Just set the control panel: Left to lower exclusive Roller Combs where beard is tough; right to raise where skin is tender. Unlimited settings in between. See the new Roll-A-Matic Shaver — at your campus store and fine stores everywhere. Then, drop a hint to the family.

Remember, Remington outsells all electric shavers . . . sells more than the next two brands combined!
