

# 90 Will Attend Fall Encampment

Fifty-six men and 34 women students have been chosen to attend the ninth annual Student Encampment to be held Sept. 9, 10 and 11 at the Mont Alto School of Forestry.

All encampment participants will meet at 5 p.m. today in the Hetzel Union assembly room for a short briefing period

# Condition Of Coss, Baden Reported

Carol Coss, freshman in education from Baden, was listed in satisfactory condition, and Harriet Golin, freshman in education from White Plains, N.Y., was listed in good condition at the J. C. Blair Memorial Hospital, Huntingdon, yesterday.

The two coeds were sent to the hospital late Wednesday afternoon following an automobile accident near the Whipple Dam entrance on Rt. 545.

The car, driven by Lewis Herman, junior in business administration from Harrisburg, ran off the road and struck a tree, State Police at Huntingdon barracks reported.

Miss Coss and Miss Golin were detained for treatment of back injuries. Miss Golin also suffered a fractured jaw, bruises of the right leg and multiple cuts of the face.

Two more students were involved in the accident. Lois Young, freshman in the Division of Counseling from Mt. Vernon, N.Y., received bruises of the hip and mouth. Walter Devereaux, freshman in aeronautical engineering from Sewickley, received minor injuries. Herman received cuts of the chin and bruises of the right hand and chest, police said.

## Legislative--

(Continued from page one) order to continue use of all its facilities. However, he said this was not unusual, as the University is always borrowing money.

In 1957, the University operated for a few months without a formal appropriation. At that time, the budget was held up by the legislature past the July 1 start of the fiscal year.

The legislature has not met for the last three days because of state primaries held Tuesday. There has been no word concerning when the Senate and House budget committees would present their findings to the legislature.

Walker appeared before both committees and said that additional money was needed by the University to carry out its long-range program.

# On-Campus Tribunals Set by AIM

Plans for the new on-campus judicial system for men have been completed by the Association of Independent Men, David Frick, secretary, said last week.

AIM was given the responsibility of setting up the on-campus tribunals by the Student Government Association. AIM's new judicial branch will consist of one tribunal for each residence hall area.

Each of these tribunals, made up of a chairman and six other members, will hear cases involving individual male students in their respective residence areas.

The members of these tribunals will be appointed by the president of AIM after students interested in serving on the tribunal have submitted applications and been interviewed.

The interviewing committee will include the chairmen and senior members of the tribunal to be filled, an advisor from the dean of men's office, the area counselor and the council president.

The members of the new tribunals will be required to have at least a 2.2 All-University average and have a fifth semester standing at the time of appointment.

A delegate from the dean of men's office will serve as coordinator of the tribunals and act as an advisor.

The chairman and senior members of the tribunals will be members of the AIM Judicial Board of Review which will have jurisdiction now only over legislation of the AIM Board of Governors and residence hall area councils.

## SCC OK'd--

(Continued from page one) mendment from the Senate Committee on Student Affairs which advised that the SCCA not be set up until the first week of classes. It was passed by the Assembly.

Julius said that many students would be on campus then who would not be here later on, thus increasing the possibility that bad checks might be passed.

Through the SCCA students can cash personal checks up to \$25 seven days a week. Non-personal checks up to \$125 can be cashed Monday through Friday.

Three suggestions made by Cabinet were incorporated into the final bill. The committee had recommended:

• The Associated Student Activity manager be the SCCA adviser;

• The SCCA staff total six, unless the Board of Control deems it necessary to increase it;

• The fees for check cashing be lowered when it was economically feasible.

In other action the Assembly passed a bill making the Chess Club, the "Chess Team" and recognizing chess as a varsity sport.

The Assembly passed the bill unanimously.

# Conflicting Stories Given In 'Smuggling' Incident

The Senate sub-committee on discipline has not yet heard the case involving a coed who allegedly entertained a man in her room early Sunday morning and afternoon.

Women's Student Government Judicial heard the case Tuesday and Wednesday but no results were released by Chairman Dorothy Toklish.

Pearl O. Weston, dean of women, said last night that the recommendations of Judicial will be sent to the Senate sub-committee on discipline.

In a phone interview with The Daily Collegian Wednesday night, the coed said the man was never in the closet. She also said he "forced his way into her room."

The coed said there were five other girls in the room while the man was there Sunday afternoon. She also said he was not in the room at 1 a.m. Sunday.

She said she met the man in the recreation room on Sunday afternoon and that he then forced his way upstairs.

There have been conflicting stories from other coeds in the residence hall. Miss Weston said Tuesday night that the Collegian story of that day was almost exactly what the girl told her in an interview.

Miss Weston confirmed the fact that the coed had previously said that the man had been in her room early Sunday. Some of her hall mates said the girl told them she hid him in the room because she didn't know what to do with him.

The coed told dormmates that she hid him until shortly after 1 a.m. and then she led him out, according to two informants.

In her most recent statement the coed said she and the man were talking.

## 21 Students Excel In 1st Year Chem

Twenty-one students have been honored for outstanding work in first year chemistry courses.

Each of the students will be presented with a copy of the "Handbook of Chemistry and Physics," published and donated for the award by the Chemical Rubber Publishing Company, Cleveland, Ohio.

The students are William Bailey, Carolyn Barten, Cecelia Bilski, Leonard Butkiewicz, Ruth Carlson, Parker Crouse, Gary Driscoll, Mary Fleming, John Heightley, Judith Heisserman, Maurice Hutton, Edward Kotchi, Rodney Nunemaker, Keith O'Leary, Donald Smith, Albert Stetz, William Stout, Frederick Tappert, Hary Winter, and William Yeagley.

We mail 'em Summer Collegian to your wigwam. Only 50c

### Senior Week Results

As of Wednesday night:

Seniors enrolled in Alumni Association:	375
Total Gift Fund Contributions:	\$425

### Kennel Receives Award For First Place Essay

Sherry Kennel, junior in journalism from Lancaster, recently received a first place award of \$100 for her essay, "Why Are Printed Media Prime Assets in Company Communications?"
