

DICK DELONG, Lion right-fielder, swings and misses the offering of Ithaca's starting pitcher, Basil Curry in the final playoff game at Beaver Field. Lions won 7-3.

# Lions Meet Conn. In Opening Game

Penn State's District Two baseball champions will meet Connecticut in the opening round of the NCAA "Little World Series" Saturday at Omaha, Neb.

The Nittany Lions, who won the District title last weekend at University Park by defeating Ithaca 7-3, will swing into action at 2 p.m., Central Daylight Time.

The Lions (15-4) will meet a team which compiled a seasonal record of 20 wins and only one defeat. Connecticut was selected as the District One entry without competing in a district playoff.

The eight team field for the tourney includes, in addition to Penn State and Connecticut, Arizona (36-8), Clemson (23-6), Colorado State College (24-5), Fresno State (38-11), Western Michigan (24-6) and Oklahoma State (22-4).

Penn State coach Joe Bedenk has named 16 players to participate in the NCAA tournament. The party includes four pitchers, two catchers, six infielders and four outfielders.

Two of the fielders—Tom Durbin and Bill Benton—also can pitch if the occasion arises.

The Nittany Lions will travel via bus to Omaha, leaving the campus at 7 a.m. Thursday. They will sleep overnight in Chicago.

# Riese Shows 2-Year Change

From a "scared kid" who lasted only two innings against the championship California nine in the 1957 College World World Series at Omaha to a polished, seasoned performer—that's the two-year saga of Penn State's ace right-hander, Ron Riese.

The 21-year-old York senior, who looks even lighter than his 160 pounds, will get his second chance at NCAA World Series play this weekend when the Nittany Lions visit Omaha for the third time in the past 10 years. As a sophomore in 1957, Riese made his first appearance late in the regular season when he fanned the side in a one-inning relief stint against Bucknell.

At Omaha, in the College World Series, he was tapped for the third game—a night affair—against California after Ed Drapcho and Cal Emery had notched victories in the first two games. Riese lasted only two innings, retiring in the third with none out after giving up five hits and five runs to the eventual titlists. He was tagged with the loss.

# Safety Rules--

(Continued from page two) are used—making sure the labs do not become contaminated and the workers take necessary precautions in handling "hot" materials.

If there are any new isotopes being tested, Dr. Kenney will be on hand personally with a geiger counter checking the contamination of the lab and workers.

Radioactive materials no longer useful but still possessing radioactive properties are disposed of by burial in steel drums sunk in concrete in a remote spot on University land.

# Nittany Lion Trackmen Set Two Meet Records

The Nittany Lion trackmen, en route to the NCAA track and field championships, set two meet records and also won two field events Saturday in the second annual Midwest AAU open track and field championships at Fort Wayne, Ind.

Dick Engelbrink turned in the most amazing performance

as he won the mile run in record time, 4:06.5. He cut nearly 11 seconds off the old record and stole the show from Penn State's heralded mile-runner Ed Moran.

Engelbrink defeated Dick Pond of the Chicago Club by about 10 yards. Pond was timed in 4:07.5.

Charlie King beat Moran in the half mile and in so doing set a new meet record for the 880 yard run. King was timed in 1:50.7. Moran was clocked in 1:50.9. The old record of 1:56.6 was set by Tom Carroll.

The other two Penn State winners, John Tullar and Jim Schwab, set marks in the discus and javelin events which were held for the first time.

Tullar heaved the discus 157'-6" to beat Ron Meyer of the Chicago Track Club. Schwab threw the javelin 211'-11 1/2" for a first place finish.

Robert Brown placed third in the 220 yards dash with a flat :22 clocking. Bob Szezyler placed third in the 220 yard low hurdles and Dick Hambright placed fourth in the quarter-mile run.

Fred Kerr ran the three-mile event but failed to finish in the top five.

Penn State has entered a nine-man team in the NCAA championships to be held Friday and Saturday at Lincoln, Neb.

The Nittany Lions won the indoor and outdoor IC4A championships and completed the dual meet season unbeaten.

Leading Penn State in quest of its first national crown will be captain Moran, who has recorded the fastest mile time in the nation (4:01.7).

# Washington--

(Continued from page four) new system will be put into operation on August 16.

Once this new system is in operation, students will no longer have private phones in their rooms. Since last June workmen have been installing wall phones in the dormitory hallways. Immediately after commencement on June 6, the tearing out of the room phones began.

Although this system sounds complicated, the engineers are sure it will work. The only problem may be a human one. Since the new system will employ hall phones only, there will be one phone for every three and one-half rooms. What's going to happen if that one-half of a room gets a call? Will everyone be baffled by the question "Whose half?"
