

**Pan-American Games**

# Moran, Werner Represent Lions

The Nittany Lions will be represented by both a coach and a participant in the Pan-American games to be held at Chicago beginning Aug. 28.

Penn State's Ed Moran will compete in the 1500 meter run and Charles D. "Chick" Werner, Lion track coach, has been named head coach for the 1959 United States entry in the games.

# Golfers Lose In NCAA Play

Penn State's Bill Davidson and Dick Burgoon failed to qualify for match play in the NCAA golf championships being held this week at Eugene, Ore.

The field in the 62nd annual tournament was trimmed to 64 players for the four days of match play which began yesterday. Houston won its fourth straight team title Tuesday.

Burgoon fired a 154 round while Davidson was a stroke behind at 155. The cut-off point in the 36-hole qualifying round was 149. Davidson shot a 78 on the second 18 holes after posting a 77 on the opening day. Burgoon shot two 77 rounds on the par 71 hole course.

Both Lion golfers played on the winning East team in the annual best-ball match which opened the week-long tourney on Sunday.

Burgoon, teamed with Charles Reeder of Princeton, shot a par 71 but lost to a western entry which posted a 2 under par 69 total. Davidson was with Rob Ross of Rolling College in shooting a 68, but nevertheless lost 1 up to a western duo.

Bob Pratt and Jack Cupit, a pair of torrid University of Houston golfers, won co-medalist honors with record equalling 136's for the 36 hole medal play.

Davidson and Burgoon, both from Carlisle, played the number one and two spots on the 1959 Penn State golf team which won six of nine matches and finished second in the Eastern championships.

Lion captain Davidson won the Eastern title in 1958 and Burgoon was medalist in the tourney held last month at Princeton, N.J.

# Baseball Team Elects Captain

Dick Landis, 26 year old third baseman-outfielder, has been elected captain of the Nittany Lions' baseball team for next season.

Landis, an Army veteran, hit only .173 for Penn State's 1959 District Two championship team but he was an excellent fielder and a valuable leadoff batter. He led the team in walks with 28, in stolen bases with nine, and was second in runs scored with 23.

His inspirational play was a big factor in the Nittany Lions' fourth-place finish in the NCAA College World Series at Omaha.

Landis opened the '59 campaign in left field, but was moved to third base in mid-season—a position he's slated to fill in his senior year.

# 4 Lion Stars Play in NCAA Baseball Loop

Four members of Penn State's 1959 District Two championship baseball team will play in South Dakota's semi-pro, NCAA-sanctioned Basin League this summer.

Catcher John Adams and pitcher Ed Kikla will play for Rapid City; pitcher Ron Riese will perform with Watertown; and pitcher-outfielder Tom Durbin will be at Pierre.

Adams was a .360 hitter for the 1959 Nittany Lions, while Durbin led all hitters with a .393 average. He also had a 2-1 pitching record.

Riese and Kikla were the hurling heroes in State's fourth-place finish in the NCAA College World Series at Omaha. Riese compiled a 5-2 record during the season, including a 7-0 shutout over Clemson at Omaha, while Kikla racked up a 9-1 record, including a win over Connecticut in the World Series.

Kikla and Durbin will be juniors next season, while Adams will be a senior. Riese's college career is finished.

# Prof Speaks at Meeting

Dr. Miriam E. Lowenberg, head of the department of foods and nutrition, spoke at the annual meeting of the American Home Economics Association in Milwaukee, Wis., yesterday.

Her subject was "The Child in Child Feeding." She also spoke at the food and nutrition section of the annual meeting.

Moran placed third in the AAU 1500 meter run last Saturday at Boulder, Colo. A second place finish would have earned him a repeat spot on the American team which will meet a Russian national team in Philadelphia July 18.

The race was won in record time by Dyrrol Burleson, an unheralded freshman from Oregon, who posted a 3:47.5 clocking to edge prominent teammate Jim Grelle, who ran a 3:48.4 race. Moran was clocked in 3:48.9.

Another Penn Stater, Dick Engelbrink, started the race but dropped out after five laps, in a race which is just shorter than a mile.

Moran, on the basis of his performance in the NCAA and AAU meets, was picked for a U.S. National AAU team which will compete in international meets in Germany and Scandinavia. He will also compete in the 1500 meter event in the world championships in Helsinki, Finland, June 29 and 30.

Werner was selected as head coach by Pincus Sober, chairman of the United States Olympic track and field committee.

The Penn State track mentor served as an assistant coach at the 1952 Olympic Games in Helsinki, Finland.

He had been head coach at Penn State since 1933, except 1943 to 1945 when he served in the armed forces. During this period he produced three IC4-A outdoor and two IC4-A indoor championship track teams. In addition, his cross-country teams have won three NCAA titles and six IC4-A championships.

**NOW OPEN**

# Caldwell Authors Article On Management Skills

J. W. Caldwell, associate professor of industrial engineering, is the author of an article appearing in the April 1959 issue of Advanced Management Magazine, entitled "Management Skills for Scientists in Supervision." The article discusses some of the basic philosophy of research management development and the problems of the scientifically trained person who is operating in an administrative capacity.
