TIME OUT for a look at the Collegian

A SCHOLARSHIP from the Governor's Wife

Piercy Awarded Prizes

Along with the other gifts and trophies, Miss Piercy presented a four-year full tuition gubernatorial scholarship by Mrs. David L. Lawrence, wife of Gov. Lawrence.

Miss Piercy will also receive a scholarship from Pepsi-Cola Bottlers of Pennsylvania, a wardrobe for an Atlantic City trip, and stipends from each personal appearance she makes during the coming year, amounting to \$20,000. Each of the finalists also will receive scholarships.

Miss Piercy graduated from the University in Jurisprudence, completing her studies in three, rather than four years. She has been hired by the Lower Merion School System as a teacher in the system's elementary school. She lives in Springfield with her parents, where her father is an insurance agent.

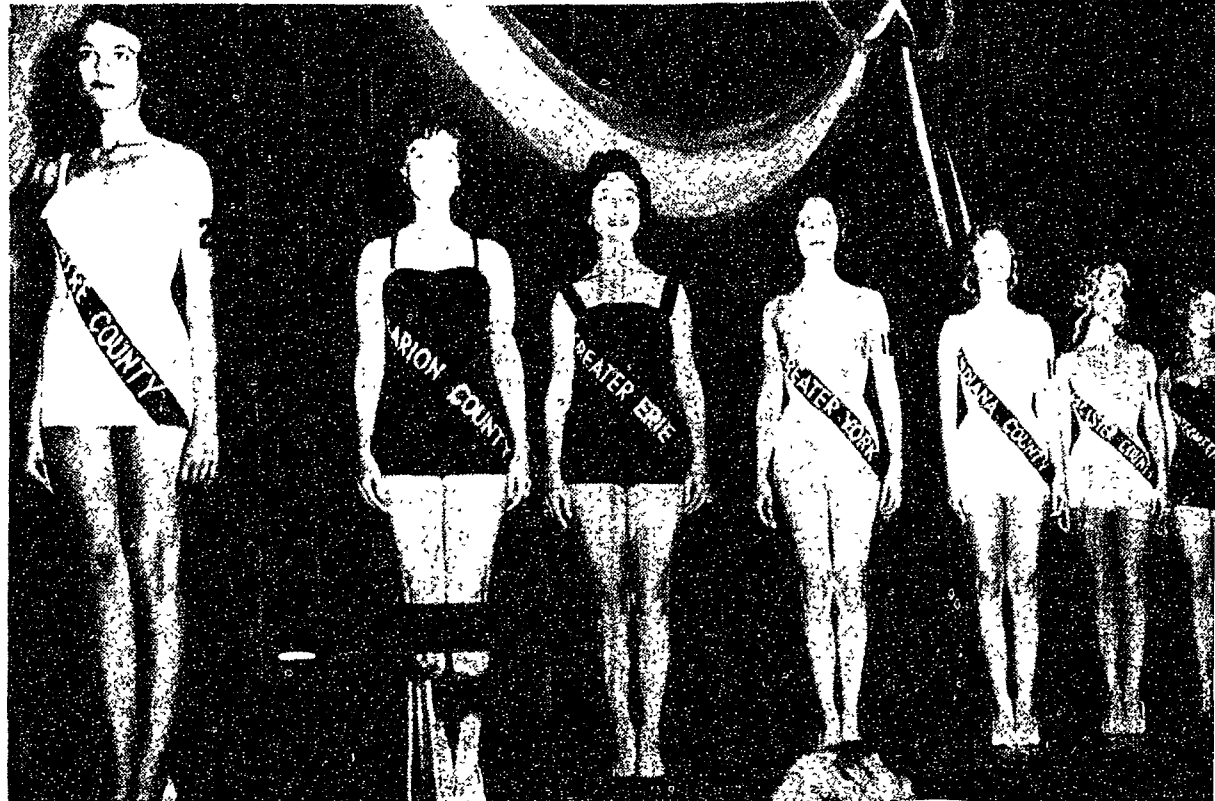

The new Miss Pennsylvania will probably take a leave of absence for the coming year from her teaching duties.

Also on hand to congratulate the new queen was Walter H. Walters, head of the department of theater at the University. He was one of the seven judges in the pageant.
