

Moran Places 4th In Race at Helsinki

Penn State's Ed Moran placed fourth in the 1500 meter race at the two-day international track meet which ended Tuesday at Helsinki, Finland.

Moran, competing for the New York Athletic Club, was clocked in 3:47.2 for the event, which was more than a second and a half better than his time in the AAU Championships held two weeks ago in Boulder, Colo. The race was won by O. Salonen of Finland in 3:44.2.

The United States team won nine of 18 events in the international meet.

Moran was named to compete in the international event after placing third in the 1500 meter AAU championships. The first two finishers were named to meet a select Russian team in a track meet July 18 in Philadelphia. Last year Moran competed against the Russians in Moscow.

It is not known whether Moran will continue with the American team which will compete in international meets in Germany and Scandinavia, or return home this weekend.

The Lion track team captain will also compete in the 1500

meter run in the Pan-American games which will begin Aug. 28 in Chicago. Coach of the American team will be Penn State's Chick Werner.

Moran led the 1959 Lion track team to an unbeaten season, including triumphs in the IC-4A's indoor and outdoor championships. He finished sixth in the mile run in the NCAA track and field tournament held June 12 and 13 in Lincoln, Neb.

A free instruction program in women's sports will be held during the mid-session under the supervision of the women's physical education staff.

The program will begin Wednesday and meeting times will be adjusted according to the interests of those who participate.

Engelbrink Elected Track Team Captain

Dick Engelbrink, 21-year-old distance-specialist from Glenside, Pa. is the newly-elected captain of Penn State's track team for the 1960 season.

Engelbrink, holder of the Penn State two-mile record, also will serve as the Nittany Lions' cross-country captain in the fall. Engelbrink set his 2-mile record against Michigan State on May 9 of this year. His time of 8:58.9 erased the previous mark of 9:03.2 posted by Olympian Horace Ashenfelter in 1949.
