Petroleum Seminar To Begin Monday

By BETSEY CLARK

This year's 21st Annual Technical Conference on Petroleum Production at the University will discuss two new technical methods of secondary recovery of oil deposits.

Beginning on Monday, the 2-day conference, which is scheduled as part of the Drake Centennial, is held in conjunction with the Department of Petroleum and Natural Gas Engineering.

In addition to providing an excellent opportunity for the presentation of papers by research experts around the nation, it brings information on the latest developments in oil recovery methods to Pennsylvania oil producers.

About 150 national and international representatives are expected to attend the program which includes a banquet speech by Genevieve Blatt, Secretary of Internal Affairs of the Commonwealth. Her topic will be "How It All Began."

S. E. Szasz, of Sinclair Research Laboratories, Inc., Tulsa, Oklahoma, will present and explain the combustion drive technique. W. F. Kieschnick, of Atlantic Refining Co., Dallas, Texas, will outline the basic

concepts in miscible displacement.

Other related talks will be given by W. E. Brigham of Continental Oil Co., Ponca City, Oklahoma; D. M. Kehn, of Humble Oil Co., Houston, Texas; and Gerald H. F. Gardner, of Gulf Research and Development Co., Pittsburgh.

Altoona Resident Given \$300 Journ Scholarship

Carmen Zettler, Altoona, who will enroll next month as a freshman in journalism, has been awarded the \$300 Howard J. Lamade Scholarship.

The award honors Lamade, who prior to his death on May 15, 1958, was co-publisher of Grit, Williamsport newspaper.

Lion Stars To Compete In 'Pan-Am'

Two of the finest athletes to perform for Penn State—and another who promises to become equally noteworthy—will compete for the United States in the Pan-American Games which open Aug. 27 in Chicago.

Track ace Ed Moran, holder of Penn State's mile and half-mile records, and one of America's top milers the past three years, will be a member of the United States track team which will be coached by the Lions' Chick Werner.

Bob Hoover, hard-hitting, slick-fielding shortstop who led the Nittany Lions to the 1959 District Two title and a fourth-place berth in the College World Series, has been tabbed as an infielder on Uncle Sam's baseball team.

Joining these veterans will be Greg Weiss, a talented gymnast who has yet to see varsity service for the Nittany Lions. The ace of last year's freshman team, and thus ineligible for varsity competition, Weiss figures to be a Penn State star for the next three seasons.

Both Moran and Hoover, each captain of his respective team in 1959, were graduated in June.

University Purchases Teacher's Oil Painting

An oil painting, "Reflections," by Betty Griggs, Johnstown teacher, has been purchased for the permanent collection of the University.

The purchase was made possible by funds provided by the auction of student oil paintings done during the Summer Session.
