Merchants To Offer Scholarships

Six State College business firms and individuals have established seven scholarships that will aid students enrolled in the College of Business Administration.

The First National Bank has provided a grant of \$250 to assist one or more students in the junior or senior year.

Keeler's Book Store has provided \$200 to establish a scholarship, honoring the late William Bryan Keeler.

The late Max Kalin has been honored with the establishment of a scholarship by his son, S. William Kalin, of State College. The \$150 award will be made to a senior majoring in marketing.

Green, Ellis and Anderson has provided a \$150 scholarship for a senior majoring in finance, the student to be chosen at the close of his junior year.

Another \$150 scholarship was established by Charles Petnick of Charles Shop for women. It will be awarded to a senior woman in the College on the basis of scholarship.

The Albert F. Williams Agency has provided two scholarships, each worth \$100, for a senior and a junior majoring in insurance.

Registration--

(Continued from page one) gun the registration process, may seek help from the representative of the dean of their college who will be seated at a long table in the center of the main floor.

Students will pick up a pink and a white card at the station where they register for each course. This is the only assurance they have of being enrolled in the course.

After students have registered for all scheduled courses they will proceed to stations where they will be photographed for matriculation card pictures, register cars, and make donations for the senior class gift. Several points have also been set up where registration officials will check all cards and take them for processing through the IBM machines.

Expansion--

(Continued from page five) structure is now under way on a roof for the ice skating rink. Steel arches, 75 feet high, will form the covering. The area, however, will be open at both ends.

The campus walks are also undergoing a change. New walks are being constructed over old dirt paths and many walks are being resurfaced and widened in preparation for another year of heavy pedestrian traffic.

Artist Series--
