### the STANDOUT in the STANDS

It really doesn't matter whether the stadium is empty or full . . . this boy stands out because he's dressed tastefully for the occasion. His clothing comes from Kalin's.

We've made it a point in our many years of outfitting Penn State men to make certain that they are tastefully dressed for each and every occasion. When you begin your season at Kalin's, you're assured of being "a standout in the stands."

The brands we carry, Hart, Schaffner and Marx clothes; Hathaway Shirts; Knox Hats, stand out in stadia across the country of a fall Saturday afternoon. And so can you . . . if you begin your football season at Kalin's.
