

**Hello!
This
is
Keeler's**

KEELER'S first for personalized self-selection since 1926. We of Keeler's are taking this opportunity to welcome you, the class of 1963, and other new students.

A good lesson to learn early in your college days is to develop the Keeler's shopping habit. Here you'll find self-selection of all your textbooks and college supplies, with courteous sales-clerks to aid you.

We have only the CORRECT books for all courses. For engineering students: a complete line of supplies including slide rules and drawing instruments by K&E, Post, and Dietzgen. For art and architecture majors we have a complete line of art supplies and materials.

Naturally we have a full line of all student supplies, gifts, souvenirs and greeting cards.

Stop in today and just browse around. We're sure you'll like our air-conditioned store and the soft hi-fi music in the background.
