By ZANDY SLOSSON

A 42-member cast has begun a rigorous rehearsal schedule which will climax Homecoming Weekend, Oct. 16-18, in the fall Thespian production, "It's All in the Book."

Students May Collect Money For Sold Books

Refunding of money and returning of unsold books will begin Monday, at the Used Book Agency in the Hetzel Union Building and will continue through next Friday.

Students wishing to have books returned or money refunded must bring their yellow refund slips to the HUB cardroom. Money which will not be refunded because students fail to turn in their slips will go to the UBA and the Book Exchange.

There were 11,000 books sold this year which amounted to \$31,000.

Guy Tucci, a member of the Board of Control, said the sale of books went rather well this semester considering some of the difficulties which appeared. He said that textbook changes in important courses such as Psychology 2, Accounting 1, and Economics 14, caused a small drop in sales compared to previous years.

Tucci also said a lot of books were returned to the agency because students had not bothered to take advantage of the book list, which was posted outside the cardroom.

BusAd Fraternity To Hold Smoker

Delta Sigma Pi, professional commerce and business administration fraternity, will hold a rushing smoker at 7:30 tonight at Lambda Chi Alpha fraternity, 351 E. Fairmount Ave.

Delta Sigma Pi's purpose is to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce and to further a higher standard of both commercial ethics and culture, and the civic and commercial welfare of the community.

Famed Frothy Forced From Football Field

It couldn't happen to a nicer guy—Frothy has been barred from Beaver Field football games.

The walking advertisement for the low-life campus "humor" magazine had cavorted for many years. Once in a while he had too much fun and virtually brought the game to a standstill.

Ernest B. McCoy, dean of the College of Physical Education, said yesterday the action was taken at the meeting of the Athletic Advisory Board Friday.

"Frothy was not connected with athletics," McCoy said, "and he had no business on the field." McCoy said the jester-dressed clown had "caused trouble in the past."

So Frothy and football games have parted—like a fool and his money. Now if someone would separate the magazine itself from Penn State they'd deserve the lasting gratitude of many a student.
