

Bisons Score 2-1 Upset Over Nittany Booters

By BILL BARBER

After a 22-year drought, the Bucknell soccer team made good in its 23rd attempt by upsetting the Penn State booters Saturday, on the Bucknell field.

The Thundering Herd completely frustrated the Lion's many scoring attempts as it outmaneuvered the Lions throughout the entire game.

"We tried to play their game but just couldn't do it," said Lion mentor Ken Hosterman.

"We just couldn't work well enough together. None of the scoring plays were synchronized and most of the goal shots were from way out, giving Bucknell goalie plenty of time to get ready," Hosterman added.

"We had many opportunities to score but we dubbed a lot of shots. Two shots directly in front of the goal were missed by trying to power the ball through instead of tapping it pass the goalie," Hosterman said.

Hosterman stated that the absence of Bill Fiedler and Gary Miller at center forward weakened the effectiveness of the line.

"Although we controlled the game for the majority of the time and our defense was working effectively, we just couldn't get any scoring plays going after the first quarter," Hosterman said.

"Even though we made many mistakes that we shouldn't have, Bucknell deserves a lot of credit for putting together the best Bucknell team I've ever seen. I think we learned a lot from this game which will help us considerably in future games," concluded Hosterman.

Hosterman thought that his two goalkeepers, Larry Fegley and Dave Grubb, looked all right for their first game but that the winning goal should have been stopped, as it was shot from more than 25 feet out.

Fegley worked the first half of the game, stopping seven shots, while Grubb handled the second stanza, managing five saves.

The Lions broke the scoring ice early in the first quarter when Howard Farrer took a head pass from Lou Van Rafelghem and then proceeded to set up the shot in front of the goal as Loren Kline came charging in for the score.

At 21:42 of the second period, Denny Seetman scored for Bucknell with a hard shot directly in front of Fegley to tie the game at 1-1.

For the entire third period

LOREN KLINE
... scores lone Lion goal

the Lions and the Bisons swept up and down the field, neither unit able to set up a scoring play.

Then at 17:30 in the final period Norm Edgett came charging in from the sidelines and blasted a high shot into the upper left hand corner of the Lion nets to put the Thundering Herd out in front for good.

Steve Flamhaft, the Bison's center halfback who Hosterman had expected to give the Lions a lot of trouble, played a defensive game, not figuring in either of the Bucknell scores.

Hosterman made one major change in his lineup as a result of the game. Gene Raiford was moved back from his right inside line slot to replace Carlos Astaz at right halfback. Tony Mattei took over Raiford's spot in the line.

The Lion's scoring percentage was a .026 as they connected on only one shot out of 39 attempts. Bucknell posted a .121 percentage, scoring on two out of 17 shots.

Grimm Gets Cubs' Post After Scheffing Resigns

CHICAGO (AP) — "I'm as happy as a kid," said 61-year-old Charlie Grimm yesterday as he succeeded Bob Scheffing as manager of the Chicago Cubs.

The resignation of Scheffing after three years as skipper and appointment of Grimm was announced by club President Phil Wrigley. The Cubs shared fifth place in the National League this season for the second straight year.

Grimm, who spends his spare time romping with his eight grandchildren and raising Shetland ponies on his farm near St. Louis, returned to the Cubs' managerial role for the third time.

He replaced Rogers Hornsby as Cubs manager on Aug. 4, 1932. He was succeeded by Gabby Hartnett on July 20, 1938. Grimm returned as manager on May 7, 1944, taking over from Jim Wilson. He was out again on June 10, 1949, Frankie Frisch replaced him.

Grimm guided the Cubs to pennants in 1932, 1935 and 1945.

After leaving the Cubs, Grimm succeeded Tommy Holmes as manager of the then Boston

Braves on May 31, 1952. He went with them to Milwaukee and was replaced by Fred Haney on June 17, 1956. After that he returned to the Cubs, serving as a vice president—a title he still will carry.

"Mr. Wrigley called me two days ago and asked if I would manage the team," said Grimm.

"I thought it over and gave him my answer last night. It's on a year-to-year basis with no contract—the usual practice of the Cubs.

"A manager's job is a treadmill to nowhere. But I am very happy to be back. Being a manager is my first love. Scheffing will stay with us in some capacity yet to be decided."

Solot Namer Manager

Robert Solot, senior in business administration from Rosemont, has been named head baseball manager for the 1960 season. Solot succeeds Lam Hood.
