

# Chordettes to Sing For UN Weekend

The Chordettes, sponsored by the World University Service, will perform here on Oct. 18 as a part of the celebration of United Nations Weekend.

The performance is scheduled for 2 p.m. in Recreation Hall, according to Bruce Adams and Floyd Greer, co-chairmen of the event. Tickets, which will cost \$1.25, will be available at the usual distribution points such as the Music Room, the Harmony Shop and the Hetzel Union desk. Funds raised in the contest will be given as gifts to refugee students in Europe.

# Stone Valley Construction Date Nears

Construction of the Stone Valley Recreation Area project dam will begin as soon as the area has been checked for possible ground leaks, according to Lawrence E. Perez, assistant dean of the College of Engineering and Architecture.

Perez, coordinator of the project, said the filling of possible leaks in the limestone around the area had been under way for some time. He said it would be impossible to determine just when the operation would be completed.

The project, being sponsored and paid for by the Alumni Association and friends of the University, began during the fall of 1956.

As of January 1 of this year, almost \$60,000 has been received for the project. Robert E. Beam, director of the Alumni Fund, said very little has been received since that time. He said President Eric A. Walker had requested no additional funds for the project.

Final plans for the dam, to be located 14 miles from campus, were approved by the state Water and Power Resources Board in May. The area will be used as a recreation site for students, faculty, staff and alumni.

COOL ANSWER

Nina at seven weeks, our nominee for Homecoming Queen.

The answer is NO, NO, NO, NO . . . . .

The emphatic **NO** is directed to you generous people who give of your time to solicit funds for the Cancer drive, Heart disease, Red Cross etc. There will be no contribution this year from us . . . . . not that we wanted it that way, mind you. However, our plans have been changed by the Boro in the form of enforced contributions slyly disguised in the name of Parking Violations. To some degree we can sympathize with the Boro planners. After all someone has to pay the salaries of the men recently hired to ticket parking violaters. To show their appreciation for their newly created jobs, these diligent dispensers of the orange tag ply their trade until 10 pm.

No man hath greater love for his boro than these, the uniformed men of the ticket brigade.

Would the authorities that be, enlighten us. Just what is it that you are trying to prove?

It's apparent each year that many likely candidates for Homecoming Queen miss the boat. The extremely short notice of "Picture due Oct 6" disqualifies many girls. Unless the deadline is pushed back one week, we can hardly promise (though we'll try) portrait delivery in time to any candidate . . . unless of course we already have her negative in our files.

To the several girls who've asked if we'll be available to cover their wedding this December . . . the answer is yes. Make your reservation now.

As you can see by her baby blue eyes, casual coiffure and great personality, Nina is a sure-fire candidate.

There will be some unusual party pictures in our window tomorrow . . . we think.
