

White Sox Manager Confident of Victory

By JOE MOOSHIL

Associated Press Sports Writer

CHICAGO (AP) — Manager Al Lopez is confident his Chicago White Sox can win the World Series.

But in a typically cautious statement, Lopez added: "It will take the best efforts of everyone."

The amiable senior called on right-hander Early Wynn to hurl the opener against the Los Angeles Dodgers and, apparently, what Wynn does will dictate Lopez' pitching plans for the rest of the series.

Lopez would not name his second game pitcher and the guessing was between Bob Shaw, 18-game winner and Billy Pierce, veteran left-hander who fell to a 14-15 record.

Should Wynn be victorious in the opener and either Shaw or Pierce come through with another victory, Lopez would then probably call on Dick Donovan, the erratic right-hander with a 9-10 record.

However, if the Sox should be behind by the time the fourth game rolls around, Wynn definitely would get the call.

Except for the pitching, the Sox appear set all the way around. Sherm Lollar, the sturdy catcher who had a bruised hand, participated in batting practice Wednesday and said he's ready to start.

Lopez said Ted Klusezewski will be at first base throughout the

series. The only possible platooning will be in right field and third base.

Against right-handers, Jim Rivera will be in right field and Billy Goodman at third base. Against left-handers, Jim McAnany will be in right field and Bubba Phillips at third base.

However, Lopez said in games played at the Coliseum he might keep the right-handed swinging McAnany and Phillips in against any kind of pitching to take advantage of the screen.

Lopez admitted he had never seen the Coliseum but said "it's probably something like Fenway Park, maybe a little exaggerated."

Tiger Office Shakeup

DETROIT (AP) — The Detroit Tigers Wednesday hired Bill Dewitt as their new president in a drastic shakeup of their front office.

Dewitt replaces Harvey Hansen, wealthy Detroit lumberman. Dewitt is the fourth man to head the Detroit organization in three years.

Terms were not made public. Dewitt will receive about \$50,000 a year.

Rain Forces Cancellation of IM Football Games

Rain and wet grounds forced the postponement of last night's opening round in IM football. Nine games were postponed till a later date. All games involved fraternities, including last year's champ, Phi Kappa Sigma.

Many fraternities had shown up for last night's games and were going through their pre-game warm-up when showers began to fall and force intramural director "Dutch" Sykes to call off the evening's program.

Weather permitting, the action will begin tonight with three fraternity games scheduled for 6:30 and six independent games getting under way at 7:30 and 8:30.

Winning Slate

Penn State athletic teams compiled a record of 75 victories, 45 defeats and one tie during the 1958-59 school year. Only two sports, tennis and indoor track, lost more contests than they won.

IM Bowling Entries

Registration of IM bowling teams begins today at the intramural office. Since the number of teams which can be entered is limited, entries will be on a first come, first served basis. Oct. 8 is the entry deadline.

Record Setter

Penn State's unbeaten, untied 21st team of 1947 set defensive records which still stand as the best in the nation. They are: fewest rushing yards per game by opponent (179), and fewest rushing yards per play by opponents (0.64).
