

Male Debate Team Registration Study Planned by Council To Host Colgate

The men's debate team will host the Colgate University team at 8 p.m. Friday in 214 Boucke. The topic will be "Resolved: that Congress should be given the right to reverse decisions of the Supreme Court." The University team will be debating on the affirmative side.

Arthur Ichter and Peter Galie will be debating for the University. Richard Hellerstren and Kendall D'Andrade will compete for Colgate.

Leonard Julius, Student Government Association president, will be chairman. Last year Julius won the Persuasive Speech Contest at the Eastern Sweepstakes.

At last night's meeting of the Engineering-Architecture Student Council, a committee was set up to study the problems of registration and also of pre-registration for seniors in engineering. In other business, it was voted

that the council requests its members be permitted to attend faculty meetings of interest to them. The annual council scholarships will be raised to cover full-semester tuition, and a motion was defeated to discontinue the issuance of council keys.

Movie Will Be Shown

A color movie on the archaeology of ancient Mesopotamia will be shown at 4:15 p.m. tomorrow in 10 Sparks.

The film will be shown at a class meeting of Archaeology 1 and all interested persons may attend.

Encampment Report-

(Continued from page five) University property.

In order to partially accomplish this enforcement, a suggestion was made that large and clear signs be posted at the athletic fields, stating that possession of alcoholic beverages on University property is illegal.

Mutual Of New York

Mutual of New York—first in America—now offers part time income opportunity under new college student (over 21) associate underwriter program. Excellent advance career training. Details at Student Employment office. Campus meeting October 6, 217 Boucke at 7:30 p.m.

Campus Restaurant

142 E. College Ave.

Invites You To Investigate The Broad Opportunities Inherent In Large-Scale System Engineering

MITRE, a systems engineering and development organization, has the continuing responsibility for solving the complex problems involved in the design, development, evaluation and integration of the many and varied air defense systems.

Formed under the sponsorship of the Massachusetts Institute of Technology with a staff nucleus composed of the scientists who designed and developed the SAGE System, MITRE affords individuals accelerated professional growth in a multi-disciplined environment. There exists freedom of choice in assignments ranging from system design through prototype development to advanced operations research.

We invite you to discuss with us how your academic training can be effectively utilized in one of these stimulating areas:

- SYSTEM DESIGN
- COMPONENT DEVELOPMENT
- REAL-TIME COMPUTER CONTROL SYSTEMS
- RADAR TECHNIQUES
- OPERATIONS ANALYSIS
- WEAPONS SYSTEM INTEGRATION
- HUMAN ENGINEERING
- COMMUNICATIONS SYSTEMS
- ELECTRONIC WARFARE
- INTEGRATED SYSTEM EVALUATION

The above openings are available at MITRE's modern facilities in suburban Boston, Massachusetts—Fort Walton Beach, Florida—and Montgomery, Alabama.

CAMPUS INTERVIEWS MONDAY, OCTOBER 5
