Meet a Young Executive on the Champs Elysees

(SHE COULD BE YOU!)

Not long ago this young lady was a college senior. Today, she handles the responsibilities and decisions of an executive in one of the world's largest organizations. Today, she's an Army officer in Paris... a Lieutenant in the Women's Army Corps.

Her professional and social life is busy... exciting... happily balanced.

On duty, this young executive occupies a position requiring education, initiative and intelligence. The high salary and traditional privileges of an Army officer are hers.

Off duty, she enjoys her leisure time. (Free evenings and weekends plus 30 days annual paid vacation.) Perhaps she'll attend evening classes at the Sorbonne. Or make a skiing trip to St. Moritz. Or spend a holiday on the French Riviera. Whatever she does, she'll find a world of fun!

Of course, her assignment didn't have to be Paris. It might have been Heidelberg, Honolulu, Tokyo... even New York or Los Angeles.

But wherever this young lady goes, she enjoys a feeling of individual accomplishment. Because she began her career as an executive... an officer in the Women's Army Corps.

She could be you... this young executive on the Champs Elysees.

Special...1960 Summer Program for Juniors:

Want a special preview of Army life? Why not see it for yourself this summer! If you qualify for this limited program, you'll receive 4 weeks of orientation training during the summer of 1960—without any commitment. The sole purpose of this program is to help you decide—with confidence—if you want to apply for a commission after you graduate. If you're interested, today is the day to mail the coupon. There's no obligation.
