

# Defensive Battles Mark IM Action

By BOB KILBORN

Tight defensive battles highlighted IM grid play last night with two games being decided by first downs and another going into overtime.

Hemlock, despite the passing efforts of Miles Cohen, had to depend on first downs to edge Maple 3-2 after a touchdown run on an intercepted pass previously knotted the score at 7-7.

Westmoreland, sparked by the brilliant passing of Ed Roberts and the receiving of Rick Urian and Jeff Hay, beat Berks, 19-7. Roberts fired passes of 23 and 17 yards to Urian and hit Hay with another 17 yarder for 18 points. Roberts added the 19th point on an extra point.

Mike Colundjia's two touchdown passes to Don Bricker provided the margin of victory for Allegheny over Erie, 12-7. Besides the two passes of 30 and 9 yards, Colundjia kept Allegheny in the game with key interceptions in the second half.

ROBERTS

Blair held the Beam Spartans scoreless and went on to win on first downs, 4-0, in a lackluster contest marked by repeated penalties.

A 44-yard return of a pass interception by John Butchko gave Lehigh a 6-0 win over Jordan.

Ron Wood engineered two scoring drives to give Schuylkill a 13-0 victory over Cambria. Wood passed for 40 yards for the first score and then hit Ken Curtis in the end zone for 10 yards out or the second tally.

Birch added a safety in the final seconds of play to a 21-yard pass interception by Alan Hess to score a 9-0 triumph over a determined Cedar team.

Nittany 25 scored a safety in the final ten seconds of play to assure itself of a victory over Nittany 26 after leading in first downs, 7-4.

In the final and top defensive battle of the night, Delaware nosed out Watts II in overtime after regular play ended with both teams tied at a safety and 3 first downs apiece.

## Lion Runners Face Unbeaten Navy Harriers

By DICK GOLDBERG

Navy coach Jim Gehrdes will field an undefeated, well-balanced cross country team against the Lions when they clash tomorrow on the Middle golf course in Annapolis.

The Midshipmen have had three meets so far this season, beating Duke, Maryland and Georgetown. Navy won easily over Duke and Georgetown, running up large scores. However, the Maryland meet was close. The Tars took it by a 27-28 score.

Navy has four lettermen returning from last year's team which was smashed by the Lions, 16-46. Number one man for the men from Annapolis is Jim Kunkle. He has taken two firsts and a second in duel meet competition so far this year. Last year, he finished fifth against the powerful Lion team.

Bill Kiggins stacks up as Gehrdes' second man. He has come in third in the three meets he has run. Against the Nittanians last year, Kiggins placed ninth.

The other two returning lettermen are Jack Chavez and Ken MacLeod. Both men have placed in the top seven in the meets this year. Last year, they did not fare too well against the Lions, Chavez finishing 10th and MacLeod twelfth.

Bernie Fleming, Jim Simpson and Don Houton round out the Tars' lineup.

Lion coach Chick Werner feels that the Middies will be tough opponents. "They are experienced, coached well and in good condition. They answer the prerequisites for a good cross country team," Werner commented.

The Lion Cubs pressed hard throughout the first half, tallying three goals in the first period and two in the second.

## Lion Booters Will Seek 18th in Row Over Colgate

By CRAIG YERKES

The booters of Penn State University will be trying to keep two streaks alive when they clash with the Red Raiders of Colgate University tomorrow at Hamilton, N.Y.

Ken Hosterman's squad, fresh from last Saturday's 6-0 victory over Syracuse, will be out to cop their second straight decision and even up their seasonal record at 2-2.

At the same time, the Lions will be seeking their 18th straight win over Colgate in a series that began in 1941. This game is a must for the Nittany Lions, for beginning next Saturday they will open up a 3-game home stand, facing the top Eastern powers, Maryland, Temple, and Navy.

The past two years, Colgate has come close to upsetting the Lions. In 1957, when State posted an 8-2-1 record, it edged past Colgate, 2-0. Then last year it took an overtime goal by Loren Kline to enable the Lions to down the Red Raiders, 2-1. Kline will not play this week because of a bad charley horse.

"Colgate will be tough to beat since they are a hustling club which really likes to run. The fact that our offense is not running smooth as yet should make this game interesting," said Hosterman.

State will go with virtually

the same lineup that downed the Orange last week. The one exception is Mike Ackley who will not make the trip.

Heading up the forward line will be Captain Pete Wadsworth at inside right. Two-year vet Gary Miller will hold down the inside left spot. The wings will be manned by Lou Van Rafelghem and Jim Heckenbrock. Howie Farrer will be at center forward.

Dave Grubbs gets the nod over Larry Fegley at the Lions' strongest position, goaltender. Al Nieto and Wayne Rodgers are the fullbacks and Gene Raiford, Bill Rierson, and Phil Curn are at the halfbacks.
