

Former Champs Continue To Roll in IM Grid Play

By RON SMITH

Phi Kappa Sigma and Tau Kappa Epsilon in the fraternity division, and Nittany 25, Nittany 29, and Westmoreland in the independent division remained undefeated after winning games in IM football action last night.

Phi Kappa Sig beat Pi Kappa Alpha, 33-0. Larry DiGiacinto was almost the whole show for Phi Kappa Sig as he threw four touchdown passes and picked off a stray PiKA pass and romped for another score. The passing combination of DiGiacinto to John Right proved to be too much for the losers as it clicked for three TD's.

into TKE's hopes of remaining unbeaten before bowing, 13-7. Tempers flared and the play got plenty rough during the hard-fought contest. Herb Ludwig hit Gene Flick early in the game on an 18-yard scoring pass play. Then with only 30 seconds remaining in the first half, Flick hesitated in the backfield before running downfield and making a spectacular catch of a Ludwig pass to score on a 40-yard play with what proved to be the margin of victory.

In other fraternity action, Alpha Sigma Phi edged Pi Kappa Phi on first downs, 5-1, as neither team could manage a score. Alpha Sig's tight defense proved to be the deciding factor.

Phi Mu Delta won its first game, upending previously unbeaten Theta Chi, 13-0. Ronnie Blend was on the throwing end of both touchdowns, hitting Bob Luff and Frank Magalski.

Nittany 25 scored two touchdowns early and held on to defeat winless Nittany 34, 13-7. Walt Voigt's passes found Buster Keister and Jim Watt in the end zone for the tallies. Nittany 25's record now stands at four wins and no losses, assuring them of their league's championship.

At this point in the interview a final score came over the P.A. on the Illinois-Minnesota game. The Illini won, 14-6.

"I don't know what went on out there," Susic said, "but I do know that we've had some good breaks so far this season. The boys capitalized on them, though, and that's the difference between winning and losing.

"Penn State's had a few breaks this year, and they capitalized on them too. So you can figure out what kind of game there's going to be in Cleveland. The teams are even so the breaks will probably make the difference."

MSU's Look Picked As AP Back-of-Week

By The Associated Press
Dean Look, 22-year-old Michigan State quarterback, was selected as college football back of the week Wednesday for his running and passing in the Spartans' 19-0 victory over Notre Dame.

Notre Dame was a one touchdown favorite, but that didn't stop Look, he was shifted to quarterback this fall after two years as a halfback. He set up the first Spartan touchdown in the opening period with a 41-yard run, then threw a 52-yard scoring pass to end Fred Arbanas in the third period.

A senior from Lansing, Mich., Look was MSU's leading ground gainer at halfback last year.

Championships Approaching In IM Tennis

Action in IM tennis competition is drawing slowly to a close as championship flight pairings begin to fill up. Winners have been determined in all flights but Flights 3 and 8 in fraternity competition.

Warren Hullo of Phi Kappa Sigma advanced to the championships from Flight 5 by virtue of a 6-2, 6-4 victory over Dick Anderson of Sigma Nu. John Erickson of Lambda Chi Alpha will be paired against Hullo since he eliminated Bob Luff of Phi Mu Delta in a Flight 6 match, 6-1, 6-0.

In other championship flight matches, Vance Rea of Sigma Alpha Epsilon will meet Al Freeman of Phi Kappa Psi, Bruce Derman of Phi Sigma Delta opposes the winner of Flight 3, and Blair Dodds of Phi Delta Theta will take on the winner of Flight 8.

Independent action saw Whitfield Gray drop John Stout, 6-3, 6-1, to enter the semi-finals of Flight 1; Rob Waldo topped Mike Mendels, 6-2, 6-4; and Dennis Richardson eliminated Jack Cherkin and John Callahan to advance to the semi-finals of Flight 2.

title. Fred Owen passed for two scores and was on the receiving end of a 50-yard pass from George McCombe for the other touchdown.

Westmoreland won its third game in a row, beating Luzerne, 7-0. After a scoreless first half, Rick Urian made a nice catch of a Bob Edwards pass with only one minute remaining to clinch the game.

Marshall Mitchell recovered a Nittany 27 fumble in his end zone as Nittany 42 came out on the long end of a 7-0 score. Although none of his tosses went for TD's, Paul Stukus displayed a fine passing arm for the winners.

In the final game of the evening, a fired-up Nittany 39 team recorded its first victory after two losses, beating Nittany 30, 7-0. The winners tallied on an 18-yard double pass play. The loss was the fourth in a row for Nittany 30.

Tebbetts May Pilot Milwaukee Braves

NEW YORK (AP)—Birdie Tebbetts, who once said he would never manage again, very likely will be drafted to pilot the Milwaukee Braves in 1960, an informed source told the Associated Press yesterday.

Tebbetts, who was hired as executive vice president of the

Braves a year ago after he resigned as manager of the Cincinnati Reds, is Milwaukee owner Lou Perini's personal choice to succeed the departed Fred Haney. Perini has been using his best salesmanship, it was learned, in an effort to convince Birdie that his move from the front office to the field would be an asset to the organization.

According to an informant, Perini gave serious consideration to only two other possibilities—Leo Durocher and Charlie Dressen. Should the reluctant Tebbetts convince Perini he would be more valuable in the front office, Dressen is next in line for the job. Red Schoendienst, the Braves' veteran second baseman, also was considered by Perini.

Another managerial vacancy—at Kansas City—is expected to be filled by either Ralph Houk or George Selkirk. Houk, New York Yankee coach, is the No. 1 choice, if he rejects the

offer. Selkirk reportedly will be asked to take over on the field with Harry Craft, the departed manager, succeeding George as supervisor of player personnel.

Kansas City owner Arnold Johnson insisted "nobody has been picked yet."

Grid Referee Errs But Tie Stands

HOUSTON, Tex. (AP)—Southern Methodist and Rice football fans, spurred by a referee's admission he erred in nullifying an SMU touchdown, fought last Saturday's 13-13 deadlock all over again yesterday.

But the game is almost certain to go into the records as a tie. The only way SMU could win a post-dated victory would be for Rice to forfeit.

ESSO RESEARCH works wonders with oil

Hav-a-banana-bunny!

Good eating...good for you...thatsa banana! But a fungus growth that attacks banana plants threatened the economy of banana production. Old-fashioned sprays were cumbersome to apply and expensive. Then Esso Research developed a special oil mist that ends this fungus growth easily and economically. People eat better...cars run better...because **ESSO RESEARCH** works wonders with oil.
