Post Heads Approved By WSGA

The appointments of a parliamentary and standards chairman were approved by the Women's Student Government Association Senate Wednesday night.

Evelyn Bott, sophomore in arts and letters from Arlington, Va., was named parliamentary. Appointed as co-chairmen of standards were Barbara Maley, sophomore in elementary education from Verona, N.J., and Sue Clement, sophomore in elementary education from Pittsburgh.

Miss Maley and Miss Clement are the outgoing Freshman Senators.

The Senate decided that if long debates on women's rules continued in future meetings, there would be a committee set up to discuss the rules. Since so much has been brought up about rule changes, the general opinion was that too much of the meeting time was spent discussing whether or not to make changes and how to make them.

The matter of clarifying which penalties women may postpone was sent to the Judicial Board. The Senate will also ask the Judicial Board to discuss which events women may attend with special late permissions.
