

UNITED NATIONS WEEKEND—Hisako Matsubari, graduate student in theatre arts from Japan, participated in the show "Getting to Know You" Saturday night in Schwab Auditorium. She did a "Kabuki" dance.

Seniors May Vote For Gift by Mail

By BARB YUNK

The Senior Class Advisory Board has tentatively decided to conduct voting on the class gift by post card ballots mailed to the individual students who contributed to the fund.

In a meeting held Sunday, the board discussed the problems of voting which have arisen because not all of the class

Debaters' Car Struck By Train

By Betsy Clark

Five members of the Men's Debate team escaped injury and possible death Saturday when the station wagon in which they were riding was struck by a freight train near Foxburg.

David Stang, junior in arts and letters from Breinigsville, Jack Bergstein, junior in arts and letters from Monessen, Rocco Ritchey, senior in business administration from Curryville, David Garland, freshman in arts and letters from Harrisburg, and Carl Kline, graduate student in speech from Warrensburg, Mo., were en route to the Grove City Debate Tournament.

Kline, driver of the University's 1953 Plymouth station wagon, slowed down at a railroad crossing in Foxburg at about 11:25 a.m. Having stalled, the vehicle came to a halt on the tracks. Kline made repeated attempts to restart the car but after two minutes was unsuccessful.

The freight train, traveling at about 45 m.p.h., came around a bend and was quite close before either the engineer or the occupants of the car were aware of the situation. The five men jumped out and were less than 10 feet away when the train crashed into the station wagon, sending it flying into the air. The gasoline ignited and burned the wrecked vehicle. The train received only minor damages.

According to Stang, Kline remained until the last minute and tried to clear the car off the tracks. The debaters, a little shaken, but unhurt, were unable to participate in the tournament.

Leonides Endorses Indie 'Open House'

By PAT DYER

Leonides Council last night endorsed the Town Independent Men's plan for opening men's boarding houses to coeds for weekend parties.

The plan will apply to only approved boarding houses and is not to be confused with apartments, said Phillip Haines,

TIM president. The plan would provide that a TIM Board of Control would investigate houses approved for the evening. All participating units would provide a suitable chaperone and operate under rules similar to the IFC regulations.

Minor infractions would result in the loss of party privileges. More serious offenses could result in suspension or expulsion of the offending member by the Dean of Men's office.

A committee to work with the Association of Independent Men to study the proposed merger plans was appointed by the president, Carol Frank. The members include Arlene Evangelista, Anne Farley, Roberta Hill, Linda Hill, and Dorothy Tynan.

The TIM-Leonides bluebook file will be open from 2 to 4:30 Sunday afternoon and from 7 to 9 Thursday evening. The TIM Council may set up further hours. Bluebooks are arranged alphabetically and a list of those contained in the file will be made available.

Five independent units will be participating in Mardi Gras, Friday night. Coeds in McKee will present a western motif featuring roulette, dice and dancing girls; South Halls will have a Ring Toss; Grange, a fortune-telling booth; Simmons, a shooting gallery in "Big Shots"; and Atherton Independents will feature a Voodoo Booth.

A committee to study a plan of awarding "Active Independents" was appointed. Those designated "Active Indies" will be permitted to wear the special honor guard to the Leonides pin.

The council also approved the schedule for Indie Week. The week began Sunday with a hike to Mount Nittany. About 35 students went on the hike, according to Philip Haines.

Miss Frank appointed Rowena Rotcap as chairman for the Housemother's Tea in December.

Cycle Parking Areas Opened

Small parking areas for motor cycles and motor scooters are now open. Dr. Elwood F. Olver, director of the Department of Security, has announced.

Only owners of such vehicles who have parking permits will be allowed to use the following areas:

- Area 23—northwest corner
- Area 78—east and west sides
- Hamilton court area
- Mineral Science courtyard
- Between Mineral Science and Mineral Industries

1500 Witness UN Weekend

An estimated 1500 people witnessed the University's United Nations Weekend Celebration, making it a "very nice success," Carmella LaSpada, general chairman for the UN Weekend Committee, said last night.

Miss LaSpada said the musical show "Getting to Know You" was the high point of the celebration. She added that the students seemed very impressed with the "outstanding displays" of the UN Festival.

The University was the first of the colleges and universities in the United States to participate in such a program.

Applications Available For Eng Arch Council

Applications for seats on the Engineering-Architecture Student Council will be available in 204 Sackett until Friday.

All seats for freshman and sophomores; junior seats in Agricultural Engineering, Aeronautical Engineering and Civil Engineering; and senior seats in Mechanical Engineering, Aeronautical Engineering and Civil Engineering are open for election.

Two Tie In Vote For Floor Leader

Mary Ann Ganter and David Kiser tied in the vote for minority party floor leader on the Student Government Association Assembly.

The tie-vote in the election held yesterday by University Party Assembly members was caused because one member was not present, according to Howard Byers, former floor leader.

Byers, who resigned last week, said that another election would be held before the Assembly meeting Thursday.

Freshman Board OK's New Constitution, Laws

The Freshman Advisory Board, of the class of 1962, approved a new constitution with by-laws at a meeting held last night.

Earl Gerishenow, chairman of the constitutional committee pointed out that the new constitution would be used by the advisory board of the class of '63.

One of the provisions of the by-laws makes it necessary for a student of second semester standing and above to have a 2.2 All-University average to sit on the board and a 2.4 average to be on the executive board.
