Lucas Says 10 Other Men Responsible for His Fame

"Whatever you read about me in the papers is due to the 10 other men on the team," Richie Lucas said Sunday.

Lucas addressed a crowd of 1500 students that overflowed the parking lot in front of Recreation Hall to welcome the football team home from Cleveland.

He went on to say that everyone connected with the team was responsible for his victories.

Coach Rip Engle and Pat Botula, captain of the team, told the crowd how much student support was appreciated.

Engle said that student support made the boys hustle. He added that the team would have hard games coming up and he hoped the students would con-

tinue to be behind them.

Botula said that when the football team ran out on the field to start the game and heard the 3,000 Penn State fans cheering it sounded like a crowd of 80,000.

Students started gathering at Rec Hall at 3:30 p.m. when the motorcade of the Men's Hat Association began its tour around the campus from Alpha Zeta led by a police escort.

Frank Gullo, professor of music, and members of the Men's Glee Club rode in the first car. By the time the motorcade came around to Rec Hall again it had gained other cars filled with yelling and cheering students.

Gullo and the Glee Club members led the crowd in "Fight on State," "Nittany Lion" and "Victory" and also a short yell "State."

Prom Queen Candidates Must Submit Pictures

Pictures for Junior Prom queen nominees must be submitted to the Hetzel Union desk by noon Saturday.

Candidates must have at least a 2.2 All-University average. Their names, addresses, and phone numbers must be written on the backs of the photographs.

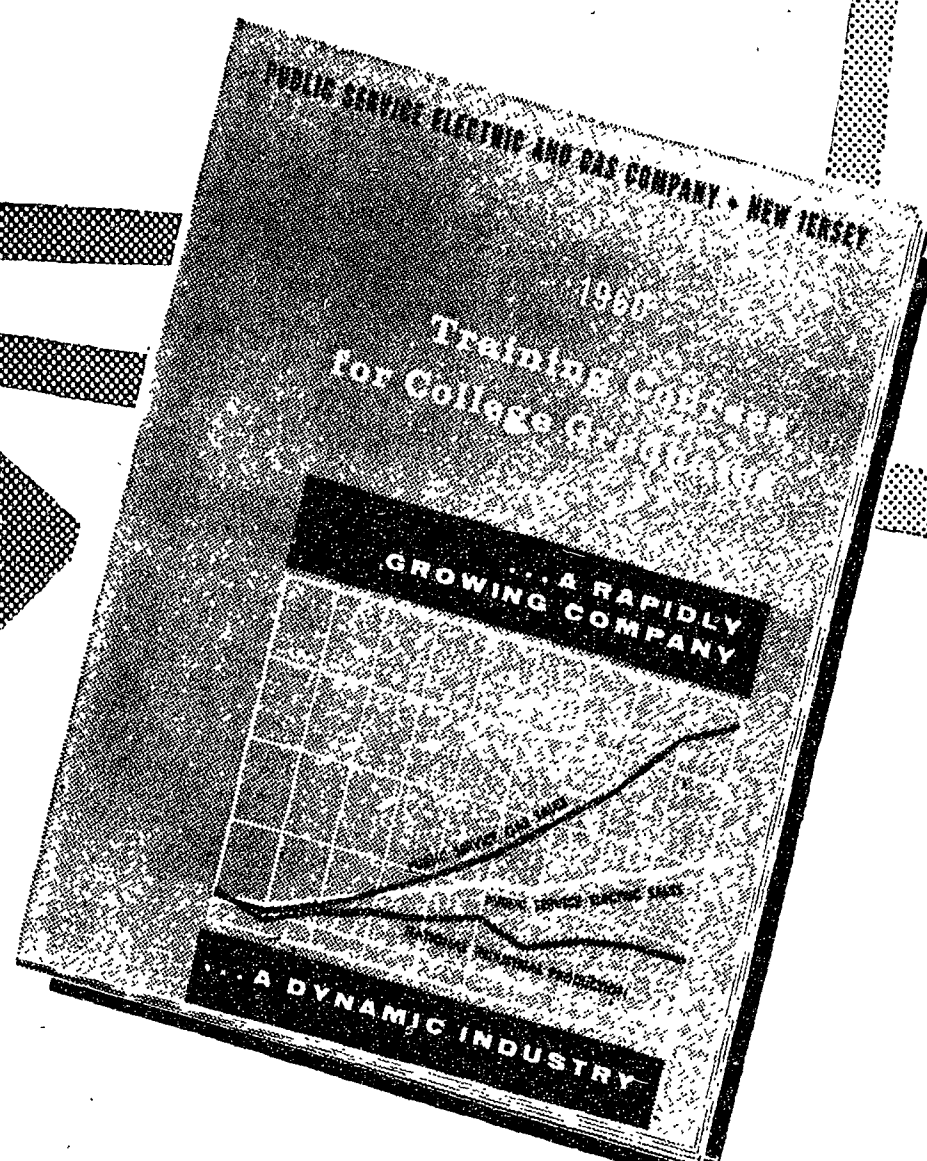

Delphi Taps Three

Three new members were tapped Sunday for Delphi, sophomore men's hat society.

They are Richard Pigossi, electrical engineering major from Pittsburgh, Herbert Nurick, liberal arts major from Harrisburg, and Phillip Steinhauer, business administration major from Kingston.

● Will the persons who helped me try to get my car off the railroad tracks Saturday night, Oct. 17, near Milesburg, please contact Stu Baily. For investigative purposes. Phone AD 8-2415

LIVE, WORK, AND PLAY IN NEW JERSEY

Here is your opportunity to learn about your future in a rapidly growing company which is a leader in one of today's most dynamic industries.

The electric and gas utility companies are among the most rapidly growing industries in the country, and there is every indication that Public Service's unit sales of electricity and gas will increase by 100 per cent in the next ten years. This is more than twice as great as the predicted growth in the Gross National Product during this period.

This means one thing to you . . . opportunity! So look for the Public Service man the next time he is on your campus.
