New Suit in Sight For Nittany Lion

"When the football team moves to the new stadium next fall, the Nittany Lion should have his new suit," James O'Conner, president of the Varsity "S" Club said recently.

According to O'Conner approximately \$350 is needed before the Lion can shed his present costume. Money is being raised primarily through the showing of the football games on film.

"If we still don't have enough money by the end of this season, we'll figure something else out," O'Conner added.

So the Lion need not fear—somebody really does care!!

Do You Think for Yourself?

(THROW THESE QUESTIONS INTO THE POT AND SEE WHAT COOKS*)

If your studies led you to believe you could strike oil by drilling a hole right in the middle of the campus, would you (A) keep still about it so people wouldn't think you were nuts? (B) sell stock in the proposition to all your friends? (C) get an oil man interested in the idea, even if you had to give him most of the profits?

A B C

"A watched pot never boils" means (A) the man who made such a statement never watched a pot; (B) If you don't want the stew to boil over—watch it! (C) you can't hurry things by worrying about them.

A B C

If you saw a girl perched up in a tree reading a book, would you say, (A) "Timber!" (B) "Is the light better up there?" (C) "Will that branch hold two?"

A B C

Assuming cigarettes could talk, would you listen to (A) a filter cigarette that talks only about its taste? (B) a weak-tasting cigarette that talks about its filter? (C) a filter cigarette that lets its advanced filter design and full taste speak for themselves?

A B C

Next time you light up, take a moment to think about what you really want in your filter cigarette. Most men and women who think for themselves choose VICEROY.

the cigarette with the most advanced filter design of them all . . . the one cigarette with a thinking man's filter and a smoking man's taste.

*If you checked (B) in three out of four of these questions, you're a pretty smart cooky—but if you checked (C), you think for yourself!

Familiar pack or crush-proof box.

The Man Who Thinks for Himself Knows— ONLY VICEROY HAS A THINKING MAN'S FILTER... A SMOKING MAN'S TASTE!
