

# Soccermen Sink Navy, Win, 4-2, on Team Effort

LION INSIDE-LEFT Gary Miller, who scored two goals against the Middies, heads for Navy territory after taking a pass from Nittany halfback Carlos Astiz in Saturday's soccer game on Beaver Field. State won its second victory of the year, 4-2.

By Craig Yerkes  
Penn State's soccer team kept alive their chances for a winning season by downing the Midshipmen of Annapolis, 4-2, Saturday on a soggy Beaver Field.

The win was the second of the '59 campaign for Coach Ken Hosterman's booters, enabling the Lions to break a 2-game losing streak. The Nittanians now are two up and four down for the year.

The soccermen got off to a good start as Howie Farrar hit the nets early in the first period to give the Lions a 1-0 advantage. Despite the poor playing conditions, the Nittanians displayed good ball control and for the remainder of the period the action was confined to Navy's territory.

When the Middies did manage to get a drive started, Lion fullback John Miller was there to break it up. Time after time, Miller came up from his fullback position and dazzled the Midshipmen with his brilliant footwork. Right fullback Wayne Rodgers also did an excellent job of breaking up Navy threats.

The second period saw the action shift into State's territory with the Middies controlling the ball for the majority of the time. With 10 minutes remaining in the half, Carmine Tortora scored the tying goal for the Middies with a head shot. By this time, both teams were covered with

mud and the half ended in a 1-1 stalemate.

State dominated the play in the second half as the forward line of Pete Wadsworth, Gary Miller, Lou Van Rafelghem, Jim Hockenbrock, and Farrar worked the ball with the finesse that had previously been lacking.

Gary Miller put the Lions back in front as he booted one home from five yards out. Less than a minute later Navy tied it up once more.

This score was a gift from the Lions as goalie Dave Grubbs and fullbacks Rodgers and Miller got their signals mixed up. In their scurry for the ball one of the three tapped it through the nets for a Navy score.

State was not to be denied as it came back to go ahead for keeps just one minute after the Middies had tied it. The State

goal came on a cross executed from Wadsworth to Farrar. The Lions added their final goal in the fourth quarter on an indirect kick, Wadsworth to Miller.

Coach Hosterman, who was very pleased with the Lions team effort, had the following to say about the win: "Wadsworth found himself at his old position of right

about the win: "Wadsworth found himself at his old position of right on his opponent all afternoon. John Miller also played a great game at fullback. We worked together for the first time this year. The big difference in this game was the fact that we outlasted them."

State's next opponent will be undefeated Temple this Saturday at home. After Temple, the Lions will travel to Army and end the season at home against Pitt Nov. 21.

## NBA Expansion Plans Include Pittsburgh, LA, San Francisco

NEW YORK (AP) — The National Basketball Assn., with Chicago already included in its 1960 plans, probably will expand to 12 teams in 1961 and eventually to 15, President Maurice Podoloff said yesterday.

"Our long range plan calls for a three-division setup of five teams each, one division in the East, another in the Midwest and a third on the West Coast," said Podoloff. "There is a good chance that Los Angeles and San Francisco will be in the league in 1961. I was very favorably impressed with the intense ball interest in Los Angeles when I was there last month to see one of our exhibition games. We had very little advance publicity and the Dodgers were playing at the time, yet, the game drew 12,000 fans.

"There are no longer any travel problems as far as the West Coast is concerned. With jet flights we can make it in four hours from the East. We do about 75 per cent of our traveling by plane now anyway," he said.

"Next year we will have five teams in the Midwest—Chicago, Detroit, Minneapolis, Cincinnati and St. Louis. If Pittsburgh joins us it would give us five in the East, also—New York, Boston, Philadelphia and Syracuse
