

# Campus, University Choose Nominees

Final nominations were made Sunday by Campus and University parties for the fall Student Government Association elections to be held Nov. 18 and 19.

A freshman and sophomore class president will be elected along with 17 assemblymen, 2 seniors, 4 juniors, 5 sophomores and 6 freshmen.

Larry Garlock will represent Campus party for freshman

## Curry Ruled Ineligible to Run By Committee

The Elections Committee decision ruling Donald Curry, junior in industrial engineering from Reading, ineligible to run as a Campus Party candidate for SGA Assembly was upheld last night.

Robert Umpstead, acting co-chairman of the committee, said the decision against Curry was upheld by SGA President Leonard Julius.

The dispute arose when Curry switched from University Party to Campus Party in order to accept the nomination. Former Elections Committee Chairman Stanley Foster ruled him ineligible.

Sunday night Campus Party nominated Curry. Umpstead and his co-chairman Sharon Hoffman restated Foster's decision on Curry.

Umpstead said the party decided to nominate Curry anyway and appeal the Elections Committee decision to the SGA Assembly. However, Julius ruled the matter an internal affair and upheld the decision.

class president and Robert Carson will represent University party. Both Garlock and Carson were unopposed for the nominations.

Voting for sophomore class president will be Duane Alexander on Campus party ticket, who also was unopposed for the nomination, and Mark Sandson on University party ticket.

Campus party nominees for the two Senior Assembly seats are Carole Cin and Alan Renkis. Running against them from University party will be Norman Kahn and Steven Ott.

William Reilly, Sandra Slis and Marilyn West will represent Campus party for the four Junior Assembly seats to be filled. One vacancy exists. Constance Adler, Marilee Grabill, Lurene Jochem and Ronald Watzman will represent University party.

For the five sophomore Assembly seats open, Earl Gershen, Barbara Hackman, Rebecca Hadden and Richard Piggosi will run on the Campus party ticket and Joan Cavanaugh, Janice Harms, Joan Thiel and Nancy Williams will run on the University party ticket.

Six freshmen will be elected to sit on the Assembly. Nominees from Campus party are Mary Dugan, Ellen Keefer, Stephen Lenhardt, Patricia McGee, Jacquelyn Trone and Edwin Urie.

Nominees from University party are Anna Cimmons, Richard Goodman, Barbara Isaacson, Dorothy Lerew, William Rothman and Harold Scott.

# HEc Holds Cornerstone Ceremony

Papers on the purposes of the University and the long range report on the College of Home Economics were put in the cornerstone of the addition to the Home Economics Building in a formal ceremony at noon yesterday.

In addition to the papers, a propeller-shaped German butter knife was placed in the cornerstone box. Its design is characteristic of our aeronautic age.

The knife was contributed by the division of family housing and home art. The box was placed in the cornerstone by Judith Heckert, president of the Home Economics Student Council, and Mrs. Carol V. Braund, president of the Home Economics Student Faculty Board.

Dr. Grace M. Henderson, dean of the College of Home Economics, was the principal speaker at the ceremony. She spoke on the expansion of the college.

President Leonard Julius pointed out that present Lecture Series funds come from the general University budget, with the approval of President Eric A. Walker.

Julius feels that a total of at least \$6000 from the Board of Trustees would enable the Lecture Series to present two very important speakers and three others of lesser importance. The Artist Series fund is a direct appropriation from the Board.

A CAMPUS-TO-CAREER CASE HISTORY

Bob Allen and his Chief Operator, Mrs. Julia Chipman, discuss Long Distance records which will soon be converted to automatic processing.

## Meet Bob Allen—he's growing fast with a fast-growing company

Robert E. Allen got his B.A. degree from Wabash College in June, 1957, and went to work with Indiana Bell Telephone Company at Indianapolis. "It looked like a growing company where I could grow, too," he says.

It was. Today he is an Assistant Traffic Supervisor there. He's in charge of six other supervisory people and about 100 telephone operators.

Bob attributes his rapid progress to two main factors: the thorough training he received and the steady growth of the telephone business.

"I was trained to be a telephone man-

ager, not just a traffic specialist," he points out. "I've also had practical, on-the-job experience in the plant, commercial and engineering phases of the business. So I'm equipped to handle new responsibilities all the time. And in this fast-growing communications field, that means I have more chances to keep moving ahead."
