According to this publisher many people do not realize how much they could influence others simply by what they say and how they say it. Whether in business, at social functions, or even in casual conversations with new acquaintances, there are ways in which you can make a good impression every time you talk.

To acquaint the readers of this paper with the easy-to-follow rules for developing skill in everyday conversation, the publishers have printed full details of their interesting self-training method in a 24-page booklet, "Adventures in Conversation," which will be mailed free to anyone who requests it. No obligation. Simply send your request to: Conversation Studies, 835 Diversey Parkway, Dept 3758, Chicago 14, lll. A postcard will do.
