

Nittany Harriers Meet Strong Manhattan Squad

By DICK GOLDBERG

The Penn State cross country team has a big job ahead of itself to recoupe from the pasting it received at the hands of Michigan State two weeks ago.

The only way to do this, says coach Chick Werner, would be to trounce the Manhattan Jaspers this morning in New York. Werner sent his seven top harriers to New York to do the job. Dick Engelbrink, Herm Weber, Steve Moorhead, Danny Johnson, Chick King, Mike Miller and George Jones made the trip.

Engelbrink, the top harrier on the Lion squad, has been having trouble of late with his running style and has not performed up to his capacity. In the last two meets, he carded a third and a fourth place finish.

However, Werner has been working on Engelbrink's weak points and he hopes the "Eagle" will be up to par for the all-important Jasper meet.

Weber will be running in the second position for the Werner-men. So far this season, he has taken three seconds and a 10th.

The 10th came against Michigan State. The Nittany mentor has also been working with Weber and looks for him to give an improved performance against Manhattan.

Moorhead is the number three man for the Penn State crew. Werner tabbed Moorhead as "the most improved runner we have on the squad." Against the powerful Spartans, he took third place, the best performance by a Lion runner.

Johnson is the fourth spot. He turned in fine runs for the harriers in the first three meets, finishing with two fourths and a fifth. However, against Michigan

Denny Johnson

State Johnson took 11th place. King has racked up two fifths a sixth and a 12th this year. He is a two year veteran and Werner looks for him to come through against Manhattan.

Rounding out the squad are Miller and Jones. Miller has two sevenths, an eighth and a 13th to his credit this year. Jones is an experienced harrier who has not had an up-to-par year.

Mikan Will Appear At Cage Clinic

Mr. Basketball himself, George Mikan, will be the main speaker next Friday at Penn State's annual fall basketball clinic in Recreation Hall. The clinic is open to the public.

High school and college coaches from all over Pennsylvania will participate in the clinic which starts Friday at 7 p.m.

The Friday night session will last until 10 p.m. and will include either an intrasquad or scrimmage game between the Nittany Lions and a worthy opponent.

Head basketball coach John Egli will be in charge of the clinic and will discuss Penn State basketball tactics.

Egli, known as one of the top defensive strategists in the country, also will go over Penn State's well known zone defense.

In addition to Mikan, Egli's Assistant coach Stu Kane, a former Eastern League star, will be on hand to help out along with freshman coach, Bob Edwards.

Mikan was the greatest scorer in the history of pro basketball when he retired a few years ago. He held the record for the most points scored by a pro player until Dolph Schayes of the Syracuse Nationals topped his mark last season.

Mikan spent all of his pro career with the Minneapolis Lakers after graduating from DePaul University where he played under Ray Meyer.

He coached the Lakers for a year after retiring and then became business manager of Minneapolis five.

Last year he took executive job with the U.S. Keds Co., manufacturers of athletic shoes.

Coaches attending the clinic will see the Penn State-Holy Cross football game Nov. 14 and will also see the freshman soccer game Saturday morning.

Frosh Nip Navy, 10-8 On Raisig's 3-Pointer

Tackle Charlie Raisig kicked a 29-yard field goal in the last quarter to wipe out an 8-7 deficit and give the Penn State freshmen a 10-8 victory over a previously undefeated Navy plebe team at Annapolis yesterday afternoon.

It was the second win against one defeat for Coach Earl Bruce's charges. The setback was the first for Navy, which had run up a string of five straight triumphs.

Raisig's winning three-pointer was set up when Junior Powell, a little but slippery halfback, got loose on a double reverse and carried to the 11-yard line. There the Navy defense stiffened and the Nittanies called on Raisig to secure the victory.

The Lion Cubs had jumped off to a 7-0 lead in the second quarter after quarterback Pete Liske hit end Joe Galardi with a 19-yard pass to put the Nittanies inside the Navy 10. Fullback Charlie Ricevuto barreled his way to the one from where halfback Ed Bambury plunged across for the tally. Ricevuto booted the conversion and the Lions had a 7-0 lead at the half.

The tide changed in favor of the Navy in the third quarter

when halfback Dave Johnson broke away for a 70-yard gallop to paydirt. A completed pass gave Navy a two-point conversion and an 8-7 edge, and set the stage for Raisig's winning kick.

The freshmen now return to the practice field for another week before their fourth and final game of the season. They close out the campaign at Army next Friday.

The Lion Cubs, who had gone through three consecutive seasons without a loss before being edged 14-6, in their opener at West Virginia this fall have assured themselves of at least breaking even in their four-game slate.

3 Flight Championships Decided in IM Football

By JIM KARL

Although a sudden drop in temperature and the biggest weekend on campus this year resulted in five forfeited games, three flight championships were decided on the IM grid scene last night.

Nittany 23, Westmoreland, and Nittany 22 all won their respective league titles to qualify for the Independent Championship Tournament next week.

Emmitt Griffie was the main cog in Nittany 23's offense as he scored twice in a 14-6 win over Nittany 32. Nittany 32 scored first when Andy Sack hit Dick Krause from one yard out.

Nittany 23 came right back on a 56-yard pass from Steve Kolodney to Griffie for a TD. A few minutes later the same combination hit again on a 20-yard scoring play. Bill Rambo converted after both scores.

Rick Urian led Westmoreland to a convincing 13-0 win over previously unbeaten and unscored upon Schuylkill to clinch the Flight E title. Urian threw a 30-yard pass to Ed Roberts for one TD and ran 25 yards for another.

In a League C tie-breaker Nittany 33 and Nittany 22, both previously unbeaten and unscored on, battled to a 0-0 stand. But Nittany 22 won the contest on first downs.

Dwight Stein's interception of a Berry Buhl pass in the closing minutes of the game erased any chance of a Nittany 33 victory.

State X-Country Meet Will Be Held Here

Joe Thomas, of Uniontown and Mt. Lebanon High School are strong favorites to retain their individual and team titles in the annual Pennsylvania Interscholastic Athletic Association cross country championships today.

The race will be run over the two and one-eighth mile course at the University and will attract a record field of 228 entries from 39 schools. Twenty schools will field five-man teams to compete for the team championship.

Snead's Putt Gives U.S. Lead In Ryder Cup

PALM DESERT, Calif. (AP) — Capt. Sam Snead sank a nine-foot pressure putt on the final hole to stave off defeat and give the United States a 2½ to 1½ lead over Britain yesterday in the opening scotch foursome of the Ryder Cup golf competition.

Snead and his celebrated partner, Dr. Cary Middlecoff, were one hole behind the long-hitting British team of Dave Thomas and Harry Weetman, coming to the 470-yard final hole.

Both teams were in the water on their approach shots but Middlecoff chipped to within eight feet and Sam calmly sank the final putt for a bogey 5.

Weetman missed a nine-footer which would have given his team a victory. The match ended in a half, each team getting a half point.

America's other points were picked up by a pair of musclemen, Bob Rosburg and Mike Souchak and the twosome of Julius Boros and Dow Finsterwald.

Rosburg, the Professional Golfers Assn. champion from San Francisco, and Souchak fashioned the day's finest golf in erasing Bernard Hunt and Eric Brown 5 and 4.
