

# COME TO CHURCH

### University Chapel

Schwab Auditorium

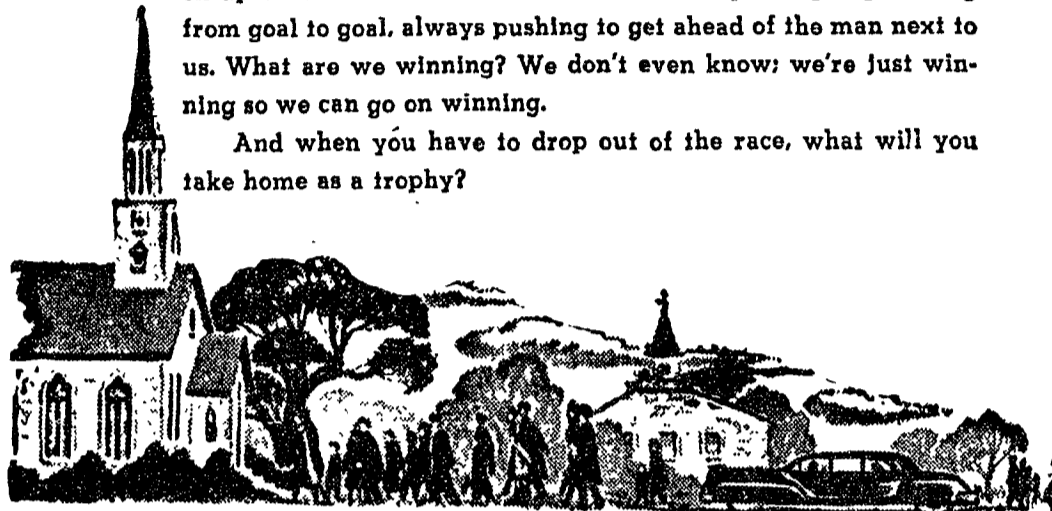

**Speaker**

**Theodore A. Gill**  
President, San Francisco  
Theological Seminary

Services: 10:55

The line between what is real and what appears to be real is a very fine line...so fine, in fact, that many of us have given up trying to find it. We move from day to day on the surface of life, never really living it; we just go through the motions. We have given up on ourselves as well as others. We keep "busy" by moving from goal to goal, always pushing to get ahead of the man next to us. What are we winning? We don't even know; we're just winning so we can go on winning.

And when you have to drop out of the race, what will you take home as a trophy?
