"INTERCEPTION" HEAD STYLE, is performed by Lion fullback John Miller (21). The pass was intended for Temple's Len Lucenko (34). Temple won the game 2-0.

Bad Start Hurts Lion Booters; Temple Wins 8th Straight, 2-0

By CRAIG YERKES

Too much, too soon. This is the story of Temple's 2-0 victory over the Nittany Lion soccer team Saturday on Beaver Field.

It was the eighth straight win for the Owls this year and the fifth loss in seven outings for the charges of Kenny Hosterman.

Temple's experienced forward line wasted no time in taking the lead. The Owls stole the opening kickoff from the Lions and less than two minutes later Len Lucenko hit the Lions' net for a 1-0 advantage.

Lucenko's boot was a hard shot along the ground. Lion goalie Larry Fegley came out to meet the ball but it deflected off his hand and rolled into the nets.

With less than five minutes gone Temple came back to add their second, and final score. Center forward Bill Charlton angled the ball from the right high into the left side of the Nittany net. Goalie Fegley had

practically no chance of grabbing it.

After this initial shakiness, the Lions settled down and played the Owls even for the remaining 83 minutes.

The Hosterman booters outshot the Owls 27-25, and were close in 25 ves.

In seven previous engagements the Owls had scored 43 times with Walt Chyzowich accounting for 22. In allowing the booters from Philly to score only twice, the Lions stopped the powerful Owl offense. They also stopped the high-scoring Chyzowich. It was the first time that the explosive junior had been blanked this year.

Chyzowich, in the opinion of coach Hosterman, actually helped the Lions rather than hurt them as feared by his previous record. "He was too much of an individual and this hurt the Owls' game. Several times, had he passed off instead of trying to dribble in through our entire defense, Temple could have had easy shots."

The defense of both teams dom-

nated the second half and as a result neither team could mount any kind of a scoring threat.

Hosterman said that the Lions' defense was as good as in the Navy game but that the forward line lacked some of the finesse displayed the week before.

"I'd have to single out the fine work of fullbacks Wayne Rodgers and John Miller and goalies Fegley and Dave Grubbs. I still have not seen any goalie the equal of our two boys this year," remarked the veteran coach.

The Lions lost more than the ball game on Saturday. They lost the services of Grubbs for the remainder of the season. The skillful goaltender was injured in the fourth quarter when he dove for the ball and was kicked in the stomach. He is in University Hospital with possible internal injuries.

Coach Hosterman was pleased with the performance of his underdog booters and hopes to get back on the winning track this Saturday against Army at West Point. After Army the Lions return home to meet Pitt Nov. 21.

SAE Triumphs 12-0 To Remain Unbeaten

By RON SMITH

In the final night of regular league IM football action, Sigma Alpha Epsilon kept its undefeated and unscored upon record intact in registering a 12-0 victory. Alpha Epsilon Pi, winner of only one previous game, fell victim to the defense-minded boys from SAE.

Vance Rea and John Fenimore were on the receiving ends of 20-yard touchdown passes from Pete Moran. Leading, 3-0, on first downs at the half, SAE's alert defense was responsible for picking off enemy passes and the passing combination of Moran to Rea enabled them to control the ball.

The outstanding individual performance of the evening was the opening minutes was all that was needed, but Blend added a field goal as the game ended.

Phi Sigma Delta's win over Alpha Zeta was more of the spectacular variety. Trailing 4-3, on first downs with two minutes left in the game, Phi Sigma Delta intercepted a pass. Then Larry Greenberg passed for two quick first downs to win the game, 5-4.

Alpha Tau Omega scored early on a 30-yard pass from Joe Ferrer to Pete Gano and then tightened up their defense and held on for a 6-0 over Zeta Beta Tau.

Delta Sigma Phi won its first game of the season by defeating Phi Epsilon Pi, 7-0. It was a long pass from Walt Barnes to Bob Pogyer that cinched the victory.

Alpha Phi Delta evened their season's log at two and two by defeating Triangle, 4-2, on first downs. They led 3-1 at halftime and played Triangle to a standstill in the second half.

Phi Kappa Tau's first win of the season was via a forfeit over Alpha Phi Alpha.

According to Intramural Director "Dutch" Sykes, six league ties will be played off tonight. The actual inter-league playoffs for the IM championship will begin tomorrow with seven games on tap. The final game for the championship will be played on Sunday afternoon or Monday evening.

turned in by varsity tennis player, Jerry Carp, as he tallied four TD's, the first one after intercepting a pass, in leading Beta Sigma Rho to a 31-0 win over Pi Sigma Upsilon.

Three times quarterback Dick Haber faded back and hit Carp with long passes in the end zone. A fourth pass of this variety was called back because of a penalty.

Phi Mu Delta and Phi Sigma Delta each won their game to put them in a tie for their league's title, finishing with identical three and one records.

Schwartzwalder Says Team Already Had Bowl

By JACK HAND

Associated Press Sports Writer

NEW YORK (AP) — The Syracuse football coach, Ben Schwartzwalder, had a ready answer Monday when New York football writers asked him about a bowl game.

"We've already had our bowl," he said, pausing briefly—"The Oyster Bowl. Syracuse played Navy at Norfolk, Va., last month in a regularly scheduled game called the Oyster Bowl.

"Seriously, we've had enough hexes already," he added. "That is the department of Mr. Lew Andreas, our athletic director. I think Lew will talk to anybody about anything. I am just the football coach. Anybody Lew schedule, we will play. I think Lew is ready to do business with the right folks."

Val Pinchbeck, Syracuse sports publicity director, said Andreas told him in Syracuse he had received no formal offers. However, the university's athletic advisory board meets Tuesday. An invitation might be received in time to be considered at that meeting.

The final decision, of course, will be made by Chancellor William Tolley. It is understood the players had an informal discussion of the bowl situation after

Saturday's 20-18 victory over Penn State.

In the absence of any official word, it appeared Syracuse, fourth-ranked a week ago and headed for a promotion, probably was destined for either the Orange Bowl in Miami or the Cotton Bowl in Dallas.

Schwartzwalder outlined the basic offense of his team that has won seven straight.

"The ride series is the heart of our offense," he said. "The quarterback has three options. He sticks the ball in the fullback's stomach and looks to the defensive end. Depending on what he sees, he leaves it there or takes it back. If he keeps, he might pitch out.
