

Lions Given Liberty Bowl Bid

By SANDY PADWE
Collegian Sports Editor
That long-awaited invitation to the Liberty Bowl which everyone seemed to be expecting, finally came to the Nittany Lions yesterday.

Penn State was ranked fifth by United Press International yesterday and seventh by the Associated Press.

George Kerrigan and Bud Dudley, co-founders of the nation's newest bowl game, announced yesterday that the official invitation was given to Penn State's Athletic Director, Ernest B. Mc-

Coy following the Lions' 46-0 win over Holy Cross Saturday. McCoy said last night that any action on the bid would probably be held off until after the Pitt game Saturday. "It's a real honor to be chosen as the first team for the Liberty Bowl," Penn State captain Pat Botula said, "but first we have to worry about Pitt." Lion coach Rip Engle voiced a "no comment" when he heard the news. The "Ripper" seemed more concerned with Saturday's game. The Liberty Bowl will be played Dec. 19, in Philadelphia's 102,000 seat Municipal Stadium. The game will be televised nationally by NBC. "We've always wanted State," Kerrigan said yesterday in a tele-

phone interview. "Something has to be done to restore grid prestige to the East and we think Penn State is the team that can do it." "Our bowl has a lot to offer the Penn State students," Kerrigan said. "Philadelphia isn't too far away and a lot of students could see the game." Kerrigan stated that nothing was definite on a visiting team and he said he has been in contact with L.S.U., Arkansas, Mississippi, Georgia Tech, Georgia, Texas Christian and the Air Force Academy. In New Orleans, La., the Associated Press reported that Louisiana State players have indicated they would like to play in the Liberty Bowl.

Kerrigan said last week that L.S.U. officials were high on bringing the team North but a rule prevented the Tigers from playing against a team with Negro personnel. Kerrigan said the L.S.U. Board of Trustees was to have met to discuss the question, but as of yesterday he had heard nothing of the outcome. L.S.U. also is being considered, along with Georgia, and Mississippi for the Sugar Bowl in New Orleans. Georgia clinched the Southeastern Conference title last weekend, but the Bulldogs are not automatically in the Sugar Bowl. Reports from New Orleans say that there is a possibility of a rematch between L.S.U.

and Mississippi because of strong public sentiment. The Tigers beat the Rebels, 7-3, earlier in the year on a last-second goal-line stand. If the Sugar Bowl gets the rematch, then there is the possibility that Georgia might come to Liberty Bowl. Texas Christian is another strong possibility. The Horned Frogs went to the Cotton Bowl last year and cannot return. They are high in the Southwestern Conference standings this year and are eyeing a post-season bowl. Penn State's last bowl appearance was the 1948 Cotton Bowl when the Lions and Southern Methodist fought to a 13-13 tie.

Lucas Sets Record As Lions Win, 46-0

Richie Lucas, Penn State's All-American quarterback candidate insists that he always suffers a letdown toward the end of the season.

But it was pretty hard to find any trace of one Saturday as he led the Lions to a 46-0 romp over Holy Cross in the final game to be played on Beaver Field.

Cold Air Mass To Hit Area

A frigid mass of arctic air which originated over the polar ice cap will sweep into this area today bringing some of the coldest weather that has ever been observed so early in the fall.

Cloudy and cool weather with a few showers is likely early this morning, but much colder weather is due by late morning and afternoon. Strong northwesterly winds ranging up to 40 mile an hour in gusts and a few snow flurries accompany this colder air during the afternoon. Temperatures should fall from the 40 degree mark of late morning to the low 20's by evening. Tonight will be windy and much colder with a low of 12 degrees expected by dawn.

Lucas passed and ran for 216 yards and in doing so, broke Penn State's total offense record for a single season. His new mark of 1184 yards broke Lenny Moore's record of 1082 yards set in 1954. The win was the eighth for the seventh-ranked Lions in nine starts this year. They have one more scheduled game with Pitt this weekend in Pittsburgh. Holy Cross now stands at 6-2 with two games to be played. The Crusaders, ranked sixth in the nation in total defense before the game, got off to a fast start Saturday and marched deep into Lion territory before Andy Stynchula and his playmates stopped them cold on the 9-yard line. That was the first and last time the Crusaders were in the ball game. Lucas took over for the Nittany Lions and the massacre was on. With the ball on his own 23, the Lion quarterback went back to pass, saw Bob Mitinger in the clear and hit him with a perfect pass good for 69 yards and a first down on the Holy Cross eight. (Continued on page nine)

THAT MAKES IT 27-0—Dick Pae appears to be stopped just short of the goal line, but he had enough momentum to carry himself into the end zone for the Nittany Lions fourth score against Holy Cross Saturday. No. 12 is Lion halfback Tony Wayne.

Script Contest Will Be Held By Thespians

Thespians are scouting for talent again. But this time their search is for a script writer rather than an actor or musician.

Thespians are sponsoring a script-writing contest with a total of \$100 in prizes. The selected text will be used for the fall show next year, which is always written by a member of the student body or faculty.

According to Theodore Pauloski, Thespian president, all scripts must be turned into the Employee Relations Office, 303 Old Main before Dec. 16.

"Although the fall shows in the past have been musical reviews, this is not what we are looking for this year," Pauloski explained. "Instead we are looking for a book show such as 'Mr. Roberts' or 'Cat on the Hot Tin Roof,' or a plot similar to a Broadway show," he said.

A brief sketch of each character and a scenario on the entire show with two scenes fully written must be submitted. The entire show need not be written before the deadline.

The contest is open to all undergraduate and graduate students and to faculty members.

Profs Talk at Meeting

William Muschlitz, associate professor of engineering research, and Frederick Nicholas, research associate, spoke at the recent meetings of the Hospital Association of Pennsylvania Institute on Hospital Planning at Bedford Springs.

SGA Fall Elections

The fall Student Government Association elections will begin at 8 a.m. tomorrow in four decentralized polling places. Voting will end at 8 p.m. Thursday.

LP's Oppose West Penn Plan

By NICKI WOLFORD
A plan to cut a 100-foot path for a power line along the timberline on symbolic Mt. Nittany is being protested by the Lion's Paw Alumni Association.

The West Penn Power Co. has acquired a 100-foot wide right-of-way along the mountain to put in a power line for providing additional bulk power to the State College area, according to Robert A. Novotny, district engineer for the company.

"Certainly a 100-foot gash cut across the face of the mountain is going to add nothing to Mt. Nittany's natural beauty," Robert M. Koser, association president, said. "We feel that there are plenty of other routes for the proposed power line."

However, the Association will do everything it can to prevent the power line from being cut through, Koser said.

The Association purchased 560 acres of the mountain in 1946 to preserve its beauty as a University symbol.

When asked just how the Association planned to prevent the plan, Koser said, "The next move is up to the power company. When we find out what they're going to do, we will take our next step."

The decision on whether or not the company will proceed with the line may be made at a district meeting to be held this afternoon in Greensburg, Novotny said.

The Lion's Paw group, composed of the alumni members of the senior society, are fighting the line because they feel it will scar the mountain.

All the trees and shrubbery are removed from the paths of power lines giving them a brownish-yellow appearance from a distance.

Novotny explained that the proposed line would run from the Milesburg Substation to the Shingletown Substation which is just outside State College.

He said the line will run along (Continued on page eight)

WDFM to Air 'Twain' Show

"Hal Holbrook as Mark Twain Tonight," to be held at 8:30 tonight in Schwab Auditorium, will be broadcast over radio station WDFM.

It is possible that radio station WMAJ will carry the performance as well, if arrangements can be made.

Holbrook will portray Mark Twain and read selections from the American humorist's works. His program was unannounced since Holbrook prefers to select his readings at random.

According to Mrs. Nina Brown, chairman of the Artist Series, as of last night it was unknown if the program would be over the loud speakers in Sparks and the Hetzel Union Building.

Rothschild Becomes Instructor in Religion

Fritz A. Rothschild has been named instructor in religion.

He is the author of the book, "Between God and Man: An Interpretation of Judaism, from the Writings of Abraham J. Heschel."

Prior to his appointment at the University, Rothschild served as instructor in philosophy and religion at the Jewish Theological Seminary of America, as instructor in Bible at Gratz College, Philadelphia; and as scholar-in-residence with teaching duties at Har Zion Temple, Philadelphia.

Nehru Rejects Early Summit Meeting

NEW DELHI, India (AP) — Prime Minister Nehru turned down yesterday the proposal by Premier Chou En-lai of Red China for an early Himalayan summit meeting to settle their border dispute.

Nehru also rejected as impractical Chou's suggestion that both sides withdraw their border forces at once for a distance of 12 1/2 miles from their present positions.

As anti-Chinese demonstrations broke out outside, Nehru told Parliament he has sent other proposals to Peiping "which seem to us practical." He declined to go into detail until Chou gets the note from New Delhi.

About 850 Kan Sangh rightist party demonstrators in front of Parliament waved signs saying "Nehru, shake off softness" and "Drive out the Chinese invaders."

Nehru told Parliament he has always been willing to talk with Chou but "if talks are to bear fruit as we want them to do" there must be adequate advance preparation. In a note Nov. 7, Chou suggested both sides withdraw 12 1/2 miles from their positions in two

disputed areas—the northeast border with Tibet and the Ladakh plateau 1000 miles to the west.

In northeast, this would be from a point near the MacMahon Line—drawn by the British in 1914 and considered by India its border with Tibet.

China claims 32,000 square miles south of the line. Conceivably, a withdrawal here would pull all Red Chinese troops north of the MacMahon Line.

But in Ladakh, the Chinese control about 8000 square miles of territory India considers its own and such a short withdrawal would leave Red Chinese in control of much of this territory.
