

Ike to Give Nationwide Talk on TV

WASHINGTON (AP)—President Eisenhower will appeal to America Thursday for cooperation at home to promote the world peace climate he hopes to create in an 11-nation tour.

The appeal, which will be televised nationwide, will immediately precede his departure on the goodwill journey.

Announcing plans for a 15-minute talk beginning at 7:15 p.m. Thursday, White House press Secretary James C. Hagerty said the President will discuss his trip abroad and such domestic issues as the court-suspended steel strike.

"The President will talk about the need for stronger cooperation among the several groups that make up the American economy so that the nation's progress toward peace may be insured and enhanced," Hagerty said.

There are indications that Eisenhower will again urge industry and the Steelworkers Union to settle their dispute to prevent resumption of the strike when the court injunction expires Jan. 26.

Hagerty said Eisenhower's discussion of the 22,000-mile trip will center around "the strengthening of cooperation among those countries in pursuit of their own security and progress in the attainment of world peace with justice."

In a session lasting only an hour the President sketched briefly his plans for some of the 30 speeches he will make during his round of visits to European, Asian and North African countries.

No Golf for Ike Abroad

WASHINGTON (AP) — President Eisenhower has no plans to play golf during his Dec. 3-22 goodwill mission abroad, the White House said yesterday.

Military Tribunals Resumed by Castro

PINAR DEL RIO, Cuba (AP)—Cuban military tribunals resumed operations yesterday with two U.S. citizens in the prisoners' dock and facing prosecution demands for the death penalty.

After more than 500 executions, the military tribunals were discontinued four months ago, but now have been reinstated to deal with Prime Minister Fidel Castro's opponents.

On trial in the theater of regional headquarters here were Frank Austin Young, 38, of Miami, Fla.; Peter John Lambton, 24, of Nassau, Bahamas, who has been described as both a British citizen and naturalized American; and 37 Cubans on charges of homicide and conspiracy against the revolutionary government.

A second military tribunal was scheduled in Havana last night, with Rafael del Pino, 33, of Miami, a naturalized American, and five Cubans on trial on charges of counterrevolutionary

activity. The prosecutor is demanding the death penalty for all six.

Del Pino, who once helped smuggle arms to Castro's rebels, was captured in a gunfight last July when his plane apparently tried to pick up Cubans wanting to escape the country.

Police called him the leader of the counterrevolutionary "White Rose" organization. But his wife said the organization was the anti-Communist movement of the Americas.

The prosecutor demanded the death penalty, too, for Young, who was born in Indianapolis, Ind., and Fernando Pruno Bertot, 24, former Cuban student at Columbia University in New York.

Thirty-year prison sentences were asked for Lambton and the 36 other defendants. Among the Cuban defendants were two women.

The prisoners, who ranged in age down to a boy of 15, sprawled about the courtroom casually as the trial opened. They wandered about talking and borrowing cigarettes.

Churchill Sees 85th Year

LONDON (AP) — Sir Winston Churchill refused to act his age yesterday and celebrated his 85th birthday with the vigor of a man many years his junior.

He downed a hearty lunch and topped it off with brandy. Despite a cold damp day, he then went off to the House of Commons—and moved it to cheers. He even made a speech.

Police End Traffic Jam

SOMERSET, Pa. (AP) — State police finally broke up one of the worst traffic jams in the history of the Pennsylvania Turnpike early yesterday, almost 14 hours after it started.

At one time vehicles—which included buses and tractor-trailers—were backed up nearly 20 miles at the Allegheny Tunnel, 12 miles east of Somerset.
