

GAMBLER'S PARADISE—\$3 million of money, fake, that is, is on display in the TIM office in the HUB. The money, being counted by Phillip Hames, TIM president, is to be used in the TIM Las Vegas night, Saturday in the HUB ballroom.

Blue Band Goes Inside To Practice Bowl Show

Recreation Hall looked like a football field at 10:45 last night as the Penn State Blue Band moved indoors to practice for their show at the Liberty Bowl Game.

James W. Dunlop, director, said the Rec Hall floor had been laid out in yard lines with adhesive tape for better practice. Practice will be held there tomorrow at the same time but Dunlop hopes that the weather will permit practicing next week at 5 p.m. on the golf course.

Blue Band will present a televised 8-minute pre-game show of the highlights of past shows of 1959. Halftime at the game will be taken up by the Liberty Bowl pageant and the program of the Alabama band. As host, the Blue Band has given the halftime spot to Alabama.

Seven formations were chosen by Dunlop and Dr. Hummel Fishburn, head of the Department of Music, from suggestions made last week by band members.

Some suggestions had to be rejected because the formations symbolized shows televised on a different network than the one that is broadcasting the football game.

James H. Burden, music arranger for the band, has written change music to provide transitions from one routine to another. Songs included in the change music will be "Alabama Bound," "It is True What They Say About Dixie," and the "L & M Cigarette Theme" since L & M will be a co-sponsor of the telecast.

The pre-game show formations will start with the letters **PSU** and **ALA** and the playing of the "Nittany Lion" and "Victory."

The rest of the formation will be a movable oil derrick, typewriter, car and a swastika and plane formation. The final formation will be the letters **USA**.

Songs to go with the formations will be the "Atlantic Gasoline Theme," "The Typewriter Song," Chevrolet Theme, "Ach Du Lieber Augustine," "Praise the Lord and Pass the Ammunition," and "The Star Spangled Banner."

Band members will leave for Philadelphia Friday morning and play at a smoker for the alumni at 9 p.m. Friday at the Adelphia Hotel.

—S. Atherton St. and W. Beaver Ave. is the most dangerous intersection in State College. In the past year 15 accidents have occurred, according to the Borough Traffic Commission.

HUB Board Protests Senate Class Action

The Hetzel Union Board is protesting action by a Senate committee which has allowed art and architecture history classes to be held in the HUB assembly room.

In a meeting yesterday, the board directed its chairman Leonard Julius to write a letter to the Senate Committee on Arrangements concerning the action. The board felt its power to regulate use of the HUB facilities was being usurped by the committee.

William F. Fuller, manager of the HUB, reported that it is up to the board to set policy on use of HUB facilities. However, Fuller said, he received a letter in August from Albert E. Diem, arrangements committee chairman, stating that the assembly room would be used for classes. The board was not consulted, he said.

Fuller said he has received another letter from Diem stating that the assembly room will be used for the same class again this spring.

Board members said they were not especially objecting to holding classes in the HUB, but that it was up to them to decide whether classes should be held there.

Job Counseling Available

Seniors interested in receiving counseling and information concerning spring job interviews should visit the Student Employment Office during the next two months.

According to Donald M. Cook, head of the placement division, students will have an opportunity for more personal attention now than when the interviews begin in February. At that time the staff will be rushed with appointments.

Block 'S' Cancels Buses for Bowl

Block "S" Club, which decided at its meeting Sunday to sponsor special buses to the Liberty Bowl in Philadelphia, has been forced to cancel its plans.

Lanny Dey, president, said the bus lines were planning to run special buses to Philadelphia for the start of the vacation and the price of chartering the bus would be as much or more than a regular ticket.

However, Dey said he hoped to convince the ticket agent to make tickets for the buses available at a campus location.

Through the Looking Glass

with Gabbi

That time of year is with us again, the season of holly and mistletoe, caroling and twenty page term papers. I hope you've all made out your Christmas lists, but just in case there are some sluggish souls in the audience, I've drawn up a list of Meserve's very special gifts.

With the Girls in Mind

Let's start out with Ethel's Christmas earrings. These are purely for fun and effect. There is a set with three white frosted or gold bells, another with sparkling green holly, and a third with frosted pine cones.

Defies Description

That's all I can say about Ethel's collection of scatter pins. There is a large silver scepter pin, a free form gold with a pearl decoration, the popular safety pin with gold coin dangles, and one of antique gold and jade.

If you're looking for a gift both beautiful and useful, you'll find it in our bracelet section. Together with scarabs, we have plain and figured clasp bracelets. There is one which especially caught my eye, a richly engraved silver bracelet which would be perfect to wear with a plain black sheath.

For Wintry Weather

You know, we do get some rather chilly days here in State College, and since we can't all take the Bermuda trip, Ethel has stocked up on lovely mo-hair scarfs. Besides solid colors including black, green, and beige, there are brilliant and muted plaids.

Perfume to Suit Her Mood

Here is Number Nine, a gardenia fragrance with a wonderful freshness. Mary Chess's Lily of the Valley or a special set of Tapestry including toilet water and two sachet pillows would be a thoughtful choice.

For a Grab Bag Gift

There is a Lady Ashley pen decorated with rhinestones and with, of all things, perfumed ink. Just \$1.00.

Happy Shopping, Gabbi

Indies to Sponsor Las Vegas Night

You may lose a fortune at Las Vegas Nite, but you won't need to worry — it's only play money.

And the money's even supplied by the house — in other words, the Town Independent Men and Leonides councils.

Men's Dorms Select Judicial Review Boards

West, Nittany and North Residence Halls have organized judicial review boards to deal with disciplinary problems in the three campus living areas.

No action as yet has been taken by any of the newly organized judicial groups.

The West Halls board consists of Raymond Bobo, chairman; Denis Milke, Bruce Baker, William Dreiback, Millard Pick, Raymond Feeck, George Henning, Gerald Weisberger, and Donald Macalady.

In the North Halls area, the members are George Cubbler, Samuel Collins, Dale Monnin, Frank Milus, Nicolas Fallheras, Frank Maschia, Lewis Barnhardt, and alternates Richard Achilles, James Alexander and Vincent Brown. No chairman has been selected.

Members of the Nittany board are Samuel Freeman, Christopher Brown, Robert Stater, William Tanski, Charles Starbuck, and Charles Funk. The chairman is George McComb.

The event will be held from 8 p.m. to midnight Saturday in the Hetzel Union ballroom.

Tickets at \$1 a person are now on sale at the HUB desk. The ticket will cover admission and \$2500 in play money. Additional money can be purchased when it is needed.

Gambling devices will include wheels, table dice and craps, chuckaluck, cage dice, Black Jack, poker, roulette and over-under dice tables. These devices according to a TIM publicity release, are designed for the inexperienced gambler.

A 10-minute vaudeville show will be given every 20 minutes.

Racing forms will be supplied to each person as he enters the ballroom. Any person may bet on a horse, and a racing film shown at 10 p.m. will give the results.

The last event of the evening will be an auction, in which players may bid for items with the "money" they have won. Gifts from movie stars, downtown merchants, and TIM and Leonides members and gambling equipment from Las Vegas will be auctioned.

Instructions will be posted for all gambling equipment. All tables except the poker tables will have TIM members as dealers and Leonides members as assistants. Men alone will handle the poker tables.
