

Here's your chance . . . Be a Penn State "Hat Man" For Two Days

At the Liberty Bowl!

Root for our team at Philadelphia Stadium, by sporting a skimmer from Keeler's. Each hat has a band which reads "Penn State, Liberty Bowl, Dec. 19, 1959." Here is the perfect way to show your spirit and to be a "standout in the stands."

At the game...carry a cane!

Here is a real neat way to demonstrate your pep, vim and vigor! After the game, use this cane as a Christmas present . . . Dad will love it!

At that New Year's Eve Party

After the game is over . . . save your hat. You can use it again on New Years Eve because the reverse side of the hat band carries a very appropriate message . . . "Happy New Year"

At Keeler's...

You will find a large stock of hats and canes and other Penn State souvenirs. The HATS are white, with a blue hat band. Sizes medium and large . . . only \$2.00 including tax.

The CANES are imported with a Penn State pennant, and we offer them for only 30c tax included.
