

Higgins to Speak At Send-Off Rally

Members of Penn State's last bowl team will be on hand at a send-off pep rally for the Nittany Lions at 3 p.m. today in Recreation Hall.

Vincent Marino, senior in business administration from Clearfield, will introduce members of the 1948 Cotton Bowl team. Bob Higgins, the team's coach, and Fran Rogel will speak at the rally.

Captain Pat Botula and Coach Rip Engle will also speak at the rally. Botula will introduce the senior members of the team.

The cheerleaders and Blue Band will add spice to the rally.

Team members may make an appearance at the rally prior to their departure at 4:15 p.m. for Philadelphia.

Higgins was coach from 1930 to 1948 and had an unmarred record in 1947 until New Year's Day when the team played Southern Methodist University to a 13-13 tie. Higgins was an All-American playing for Penn State in 1919.

Members of the 1948 team who will be at the rally include Steve Suhey, Fran Rogel, Larry Joe, Bill Luther, Ray Ulinski and head manager Dave Barron.

Suhey was named All-American guard in 1947. Rogel played fullback on the 1947 team and played for the Pittsburgh Steelers until 1957.

Joe and Luther played tailback on the Cotton Bowl team. Joe is now teaching in Lewistown and Luther teaches and coaches at Bellefonte High School.

Ulinski was blocking back on the team and is instructor in physical education at the University. Barron is an attorney in Lewistown.

Approximately 500 students attended the pep rally in honor of the "Liberty" team in the Hetzel Union Ballroom last night.

A diminutive Frank Pritchard, probable graduate of 1975, kicked off the rally with a rousing "Beat Alabama." His pep talk, while rather indistinct, was translated by master of ceremonies Richard Haber into "I love Richie Lucas!"

Coach Tor Toreti admitted in a Southern drawl that "Pitt was lousy, but you have to admit we did win graciously, which was something they couldn't do. This Saturday our kids are going to show them we still have a good team."

Lion star Richie Lucas said that it takes a student body behind the team to win, and asked the people at the pep rally to pass this thought on to the other students.

Penn State's "Music Men" — Frank Gullo and Hummel Fishburn concluded the rally with a number of Penn State songs.

Southern Storm Will Bring Rain

A storm system that has persisted in the Texas area for several days is now showing signs of moving northeastward and bringing rain to this region tonight and tomorrow.

The unseasonably mild weather will continue for two or three more days. The mercury topped the 50 degree mark for the second consecutive day yesterday.

Today should be mostly cloudy and mild with a high of 54 degrees. Overcast skies will begin producing rain tonight, but mild temperatures will remain. The low should be about 42 degrees.

Tomorrow, a traveling day for most University students, is expected to be a dismal day with rain likely.

Labarthe Named to Post As Visiting HEc Prof

Dr. Jules Labarthe, professor of textile technology, Carnegie Institute of Technology, has been named visiting professor in the College of Home Economics.

As visiting professor, Labarthe will teach graduate students in textiles.

Counseling Forms Available for Men

Application forms for a position as residence hall counselor with the Dean of Men's Office for the second semester are available in 102 Waring Hall.

The deadline for returning applications is Jan. 6.

Applicants must be 21 years old or older, have completed 2 years of college, have a 2.2 All-University average, and have previous experience in group living. Candidates must be eligible to serve at least two semesters in the counseling program.

Residence counselors receive board and room in return for their services. Nonresident fees are remitted for graduate students selected from outside Pennsylvania.

—Cornell University offered a certificate in journalism in the years 1875-79 before the days of journalism schools.

Metallurgy Department Given Research Grant

The St. Joseph Lead Company, Zinc Smelting Division, the Carpenter Steel Company and the Armco Steel Corporation have granted a total of \$2250 to the Department of Metallurgy.

The grants are in continued support of the Cooperative Program in Metallurgy, conducted this year under the direction of Dr. R. W. Lindsay, acting head of the department.

LUCKY STRIKE presents

Dear Dr. Frood:

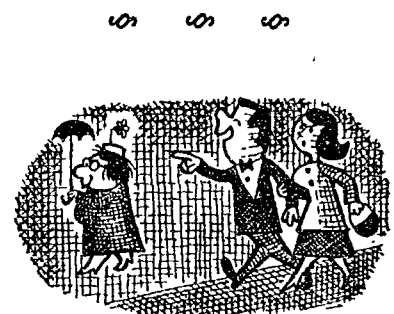

Historic event! DR. FROOD REVEALS HIS ADDRESS

(See below)

Dear Dr. Frood: My roommate continually steals my Luckies. What should I do?
Sinned Against

Dear Sinned Against: The most successful defense is the traditional African one. Mold a small wax image of your roommate. Then, at full moon, insert half a dozen common household pins into the hands of the image.

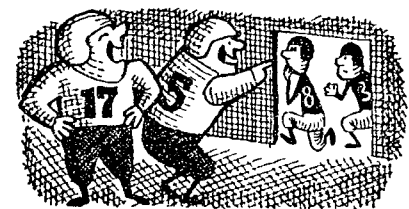

Dear Dr. Frood: I was out with my girl and I saw this old lady and I laughed and I said, "Did you ever see such a worn-out old hag?" and my girl told me it was her mother. What can I do now?
Outspoken

Dear Outspoken: Take your left foot in your right hand and jerk sharply until it comes out of your mouth.

Dear Dr. Frood: If I were demented enough to want to write to you, how would I go about it?
Pen Pal

Dear Pen Pal: Address your letter to:
Dr. Frood
Box 2990
Grand Central Station
New York 17, N.Y.

No phone calls please. Thus far I've been unable to have a phone installed here in the box.

Dear Dr. Frood: Our football team has lost 8 games a year for the last 6 years. How can we improve our record without letting the old coach go?
Alumni Pres.

Dear Alumni Pres.:
Schedule fewer games.

Dear Dr. Frood: I am a 5'11" co-ed with a figure exactly like the Venus de Milo's. Would you say I should be in the movies?
Lovely

Dear Lovely:
I'll say anything you want me to.

Dear Dr. Frood: I told my fiancée we can't afford to get married until I finish college. She insists that two can live as cheaply as one. Is this true?
Dubious

Dear Dubious:
Yes. If they take turns eating.

DR. FROOD ON HARASSING HABITS OF ROOMMATES

Roommates resent these common faults in roommates: Staring at my girl's picture. Not staring at my girl's picture. Studying when I'm not. Having a homely sister. Having no sister at all. Only one thing is more annoying than having a roommate who always runs out of Luckies: Having a roommate who doesn't smoke Luckies.

COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

TOBACCO AND TASTE TOO FINE TO FILTER!
