

Matmen Host Cornell Saturday

By JOHNNY BLACK

The two leading mat squads in the East clash in Rec Hall Saturday night when the Nittany Lions play host to Cornell at 7 p.m. in the first half of a wrestling-basketball double feature.

The two undefeated rivals who are riding the top of the heap in eastern collegiate wrestling may very well provide the best meet of the season on the Rec Hall mats.

Both the Lions and Bears have maneuvered their way through four meets unscathed. Coach Charlie Speidel's charges have defeated Army, Colgate, Michigan and Lehigh, while Cornell holds victories over Colgate, Lehigh, Yale and Harvard.

Against the two common opponents, Colgate and Lehigh, the Nittanes scored 33-0 and 19-11 triumphs, while the Big Red earned margins of 29-6 and 17-14, respectively.

Speidel plans to hold elimination bouts this week but the only two positions in the lineup that look very susceptible to change are the 130 and 191-pound classes.

Bill Hicks, a hard-pressing sophomore is challenging Don Wilson for the 130-pound berth. Wilson took the assignment after Gordie Danks had wrestled the first three matches.

Three performers have already seen action in the new 191 division for the Nittanes and another is entering the scene. Sophomore Phil Myer and junior John Trojan split the duties in the early season and in the Lehigh meet 177-pound veteran Hank Barone moved up. All three were suc-

cessful in their ventures.

Bob Gilmour, a former heavyweight who doubles as a tackle on the football team, is fighting for a shot at the 191 job.

The rest of the lineup should remain the same with Tony Scordo at 123, Guy Guccione, 137, Captain Sam Minor, 147, Jerry Seckler, 157, Ron Pifer, 167, Barone, 177, and Johnston Oberly, unlimited.

Cornell will be paced by its 123-pound eastern champ Dave Auble. Auble has been competing at 130 this winter but it would

not be surprising to find him dropping down to 123 to battle Scordo or even move up to 137 to tackle Guccione.

The Big Red is strongest through the upper middleweights. They have veteran Al Rose at 157, Al Marion, fourth place eastern finisher last spring, at 167, and Phil Oberlander at 177.

Phone for the road

These days more Americans are going places than ever before, and we're doing our best to keep up with them.

Our best is a new, ultracompact mobile telephone system provided by our subsidiary, Automatic Electric.

This development moves the telephone right in beside the driver. You can make calls—or get them—on the highway just as though you were sitting at home.

This mobile telephone service is yours to enjoy right now in many of our exchange areas. And it will soon be available in the other communities served by General Telephone in 31 states.

This is a typical example of how we use research—not only to meet today's communications needs, but to answer tomorrow's.
