

Panhel Workshops Set for Feb. 13, 14

Committees are now being formed for the Panhellenic Workshop to be held Feb. 13 and 14, according to Cynthia Talbert, Workshop chairman.

Interviews for committee members will be held from 7 to 9 tonight in the dean of women's office. Coeds interested in working on publicity, banquet or programming may come in at any time during these hours, Miss Talbert said. No previous applications will be necessary.

This will be the first Panhel Workshop, but it is hoped it will become an annual affair, according to Miss Talbert. Such sorority problems as the rushing system, Panhel structure, and how to make fraternity life more desirable to potential rushers will be discussed during the two days.

The Workshop will open with a formal banquet at 6 p.m. Feb. 13 in the Nuttany Lion Inn.

A series of informal workshops will be held on various topics relating to sorority problems from 10:30 a.m. to 5 p.m. on Sunday.

Highway Workers Offered Courses

More than 200 employees of the Pennsylvania Department of Highways are enrolled in a training program.

Calvin G. Reen, professor of civil engineering, organized the courses in conjunction with highway officials.

The courses are being taught by engineers from within the highway department. They are designed to help the employees gain proficiency in their jobs.

—Patent medicine consumption increased 740 per cent from 1880 to 1910 while population increased only 83 per cent.

—Love is an ocean of emotion surrounded by expanses of expenses.
