Encampment Asks Changes in Judicial

By CAROL BLAKESLEE

Two changes in the SGA judicial set-up and a simplified explanation of the judicial system for students were recommended by the Student Encampment Reunion Thursday.

One of the changes suggested that the chairman of the court in which a case originates sit on the Senate subcommittee on discipline. The subcommittee reviews the case if the student involved wishes to appeal it.

Assistant Dean Receives Injuries In Auto Collision

By BARBARA YUNK

Edward B. Van Ormer, assistant dean of the graduate school, was injured in an automobile accident about 8:45 last night at the intersection of Pollock and Burrows Rds.

According to Dr. Mary K. Helz, physician at the Ritenour Health Center, he received brush burns on his forehead, hands, knees and back. Dr. Helz said that it was difficult to determine the extent of his injuries, but that he was able to walk when he was taken home by the Campus Patrol.

Van Ormer was injured when the car he was driving west on Pollock Rd. was struck by the car of a student who was driving south on Burrows Rd. The unidentified student escaped injury. Van Ormer was taken by ambulance to the Health Center for first aid treatment after his car was struck in the left rear fender. The back wheels of the car were forced up onto the curb on the southeast corner of the intersection.

No further serious accidents were reported due to the icy roads caused by the snow. As of last night, roads were reported as being cleared, but more snow is expected late tonight or early tomorrow morning.

Senior Gift Suggestions Requested

By ELAINE MIELE

Seniors may turn in suggestions for their class gift Monday at the Hetzel Union desk, the Senior Class Advisory Board decided last night.

At the end of two weeks, the board will consider the suggestions and pick about 10 possible ones, Theodore Haller, class president, said.

Haller said that these suggestions will then be presented to the Executive Committee of the Board of Trustees for approval. This will eliminate the possibility of the University not accepting the final selection of a class gift, he explained.

About \$1300 was collected for the gift from senior contributions during the fall registration. The University will add \$2 to every \$1 collected for the gift this year.

Seniors who still wish to contribute may bring their donation to the Alumni Office in Old Main, Haller said.

The Board also decided that all seniors will be able to make their final selection for a class gift when they vote for the traditional senior awards.

Players' Tryouts To Start Tomorrow

Try-outs for the Players' production of "Dark at the Top of the Stairs" will be held at 7:15 p.m. tomorrow and Monday in the Greenroom of Schwab Auditorium.

The play will open April 1 and will run six weekends at Center Stage.

The William Inge's play is about the problems of the Flood family living in a small town in Oklahoma in the early twenties.

There are parts for four women, three men and a 3-year-old boy.

Weisgall Will Speak On 'Drama Into Opera'

Dr. Hugo Weisgall, distinguished visiting professor of music, will speak on "Drama into Opera: A Process of Transformation" at 8 p.m. Monday in 10 Sparks.

Weisgall's talk will be the first in this semester's Liberal Arts Lecture Series.

Counseling Program Will Assist Women During Formal Rush

A counseling program will be in operation for women rushees during the entire formal spring rush period.

According to Mrs. Norma Mountan, assistant to the dean of women and sorority advisor, the counseling program is

being installed to help the rushees in any problems that may arise as they go through rush. The counselors will assist them in deciding which sororities they should cut from their invitations, and which ones they should retain, she said.

The counseling is available to any rushee who wants it, added Mrs. Mountan. She said that any woman desiring to drop out of rushing must consult with a counselor and present a written request to do so.

Counseling will be available during the first week of rushing from 9 a.m. to 1 p.m. Monday, Thursday and Saturday and 1 to 5 p.m. Tuesday, Wednesday and Friday in Atherton Hall in Miss Mary Meoussky's suite.

The hours for counseling for the second week of rushing will be published in the Collegian next week.

Mrs. Mountan also said that any rushee that does not attend the open houses today and tomorrow will automatically be dropped from formal rushing but will still be eligible for an open bid during the spring semester. Open bids cannot be given out until one week after formal rushing is over, she said.

committee on discipline. The subcommittee reviews the case if the student involved wishes to appeal it.

The SGA constitution now states that the chairman of the Council of Disciplinary Court, made up of the heads of Traffic Court, Judicial, Off-Campus Tribunal and On-Campus Tribunal, sit on the subcommittee.

The University Senate, in its December meeting, moved the adoption of similar change, but action was postponed until the next meeting. Senate minutes, however, show no action was taken in subsequent meetings.

Carl Smith, chairman of the Student Conduct Workshop which proposed the change at the Encampment Reunion, said the alteration would mean that the court chairman who was most familiar with the case would be on hand to explain any points that were not clear.

Smith's workshop also suggested that each area chairman of the On-Campus Tribunals have a place on the Council of Disciplinary Court. Under the present set-up one of the chairmen of the West, North and Nittany area tribunals sits on the court.

The proposed change, Smith said, would put On-Campus Tribunals on an equal basis with the other tribunals.

However, it is recommended that only one of these sit on the Supreme Court. Smith explained, that the system would be "lopsided" if all On-Campus Tribunal chairmen were members of the Supreme Court.
