

Cagers Lose to Colgate; Play Syracuse Tonight

Special to the Collegian
HAMILTON, N.Y., Feb. 19
—Colgate came from 11 points behind late in the second half tonight and beat Penn State, 84-75, in an overtime thriller here.

Trailing 60-49 with just seven minutes left, sophomore flash Bob Duffy and junior Ken Norum helped whittle down the lead and tie the score at 69 with 35 seconds remaining.

For a few seconds it looked like Wally Colender might be the hero again for State when he made a driving hook to give the Lions a 71-69 edge. But Duffy, a 6-3 jumping jack, hit a jump shot just before time ran out to tie the score 71-71.

Colgate broke things wide open as the overtime period began. Mel Watkins hit a two pointer, Mike Tousey converted two free throws and Norum made a jump shot to give Colgate a 77-71 bulge with two minutes gone.

Gene Harris made it 77-73 and Bill Saul made a foul to cut the lead to 77-74.

Then Duffy got a hot hand. He made two quick jump shots to put Colgate up 81-74 and it was too late for the Lions to come back.

John Doyle and Saul traded fouls and Norum connected

Harris with 16, Mark DuMars with 14 and Saul with 13 were the other Lions in double figures.

It was the second year in a row that DuMars, the 16th leading scorer in the nation, had a bad night here. Last year he only had one basket for two points.

Tonight's game marked the first time that Colgate had ever beaten a John Egli-coached team twice in one season. The Red Raiders are now 11-8 for the campaign.

Duffy was the top scorer for the Red Raiders with 29 points and Norum had 21.

Penn State returns home Thursday night for its finale at Rec Hall against Lehigh. Following the Lehigh game, the Lions close out the season with road games at Pitt, Temple and Rutgers.

On the highbar, Dodge, Walt Mater and Ken Oikin will compete against the Lions' big three—Werner, Weiss and Cunningham.

Tom Dronsick, Tom Sokolowski and either LeRoy Van Liven or Jim Reals are scheduled to climb the rope for the visitors.

Wetstone will counter with Vince Neuhauser, Bill Fosnacht and Bob Mumau, all of whom have broken four seconds this season.

Werner, who scored a 273 in his only competitive parallel bar routine this season, and Weiss will lead the Nittanians in this event. Steadily improving sophomore Ken Morrow will round out the Lions' p-bars cast.

Syracuse's three all-around men—Orkin, Dodge and Levine—will work their routines for the Orange on the p-bars.

In the flying rings Lion sopho-

more Jerry Schaeffer will attempt to continue his improvement. In the Lions' four meets this year, Schaeffer has gone from a 196 in the opener to a 261 in last week's Army meet.

Werner, last year's national champ in this event, and soph Larry Yohn will also compete in the event for the Lions.

Syracuse Coach Paul Romeo will send Telepman, Levine and Orkin against the defending National champs.

In their three meets this year, the Orange have been beaten by Pitt, Army and Navy.

The Lions turned back Temple, West Virginia and Navy before being upset last week by the Cadets.

In their thirteen previous meets with the upstate New Yorkers, the Lions have won all but three. The Nittanians won last year in Syracuse, 52-43, as Armando Vega copped three first places.

STEP OUT IN IT

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts

further insulate you from the road.

Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one.

Safety-Girder frame—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.
