

### Senate to Grant Fellowship to '60 Graduate

Applications for two John W. White Fellowships are available to students who plan to graduate in 1960-61, Joseph F. Bradley, chairman of the Senate Committee on Scholarships and Awards, said yesterday.

The fellowship is worth \$600 and the recipient of the award can do graduate work here or at any other school of his choice.

Applicants must be of high class standing, and the recipients will be chosen by the Senate Committee on Scholarships and Awards. Bradley said that the recipients will be selected on the committee's opinion of those qualities of ability and personality that will enable them to profit best by graduate study.

Applications are available in the office of the Coordinator of Scholarships, 205D Old Main, and must be returned to this office by 5 p.m. March 10.
