

# Matmen Finish First In EIWA Standings

By JOHNNY BLACK

The Penn State wrestling team, which will shoot for the Eastern Intercollegiate tournament title this weekend in the Princeton tourney, finished in first place in this year's EIWA standings according to statistics released yesterday.

The Lions with a conference record of 6-0-1 and a season slate of 9-0-1 secured top spot in the 16-member league ahead of Pitt, which had a 4-0-1 mark in conference competition. The Panthers had a 7-1-1 overall record.

The two teams tied 14-14 in their meeting last month but the Nittanians beat Michigan, 19-12, early in the season, while Pitt lost to the Wolverines, 17-11, in late January.

The Nittanians sewed up first place with a 20-9 win over Rutgers in their final dual meet Saturday to conclude their first undefeated season since 1953.

The Lions triumph was spark-

ed by Guy Guccione, senior 137-pounder, who installed himself as a top threat for the upcoming easterns by disposing of Rutgers' highly-touted captain Tom Grifa in a close match.

Cornell, beaten only by State this winter, finished third in the EIWA standings with an 8-1 conference and 10-1 overall slate. The Lions beat Cornell, 20-8, on the home mats.

Yale was the second Ivy League team to place high in the EIWA. The Elis compiled a 6-3 record to take the fourth slot.

Lehigh, which defends its eastern tournament crown Saturday, posted a 6-4 record for a fifth place finish.

Franklin and Marshall, Rutgers, Army, Navy and Syracuse made up the second five in that order. Princeton, Harvard, Columbia, Penn, Brown and Temple rounded out the team standings.
