## 4 Explain Charges Against Party Head

In a letter submitted yesterday to The Daily Collegian, four Campus Party Assemblymen explained the charges which they brought concerning party chairmanship, Sunday night.

Earl Gershenow, Richard Pigossi, Duane Alexander, and

James Kridel said that John Brandt's assumption of the party chairmanship is "in direct violation to By-law II, Section 3 (h) of the SGA Constitution which states that 'the party chairman shall be elected by the entire party.'"

The letter also stated that the action was a violation of a Campus party constitutional article which states that "if the office of All-University and Class clique chairman should become vacant, the vice clique chairman will succeed him in office and a new vice clique chairman shall be elected by a majority of the Steering Committee." Therefore the election and succession of the clique treasurer to the office of clique chairman was illegal and void.

The Assemblymen said in their letter that "our only motive is to clean up the internal affairs of our organization; not a desire to control it."

They stated that their attempt to bring these facts before the party meeting on Sunday night were in vain because the "debate which followed was limited to only one person."

Commenting on the Sunday night's discussion, Brandt said yesterday, "In deference to that small group within the party who question the validity of my position, Campus party will elect all clique officers at a meeting at 6 p.m. on Friday in 10 Sparks. Students may also register for the party at that time."

## 5 Sororities Give Bids To 7 Coeds

Since the commencement of the Panhellenic Council open bidding system last Friday, seven women have been ribboned by five sororities.

The sororities and new ribbonees are Chi Lambda; Donna Berk and Harriet Embur; Chi Omega Diane Hauserman; Delta Zeta Carolyn Waskevich; Phi Sigma Sigma; Barbara Isaacson; Sigma Delta Tau; Ebbie Goldstein and Marilyn Jablo

Open bids may be extended to any coed who registered for rushing in February and who did not pledge a sorority during formal rushing

Sororities must notify Mrs. Norma Mountan, assistant to the dean of women, in 105 Old Main when they are going to extend bids.

The rushee who is offered a bid must regret or accept within seven days. She must notify Mrs. Mountan, not the sorority, of her decision and Mrs. Mountan will then contact the sorority

Open bidding will continue until May.

# Cabinet Condones Party Switching

By CAROL BLAKESLEE

Political party switching was condoned by SGA Cabinet last night on the grounds that prohibiting it would make the parties less responsible.

Harald Sandstrom, president of the Association of Independent Men, was the only cabinet member who voted for a bill which recommended that candidates elected under one party be prohibited from changing their party affiliation during their terms of office.

The bill involves an amendment to the by-laws and will come up for its second reading and a vote before Assembly this Thursday.

Jessie Janjigian, chairman of the Reorganization Committee, reminded Cabinet that it had been the intention of the original student government re-vamping to have candidates switch back and forth.

Prohibiting this would make "captive candidates," she said.

ICCB President David Epstein said that if parties were responsible, the switching would not occur. "Here you support the party which can give you the best deal," he remarked.

He said the crux of the problem lies in the political parties.

Steven Ott (C.-Sr.) said that personalities should not be involved in consideration of a change in the by-laws.

Sandstrom, however, said that in his estimation the personality issue had been one of the reasons for proposing the restriction on switches.

Julius said that if the bill was supported by Assembly it would be a reversal of its acceptance of an earlier incident involving party switching. He was referring to the fall elections in which Donald Curry changed his party affiliation from University to Campus.

The system of Assembly alternates was also discussed by Cabinet. A bill recommending changes in the system was re-committed to the Reorganization Committee for study before presentation before Assembly, but Cabinet aired several opinions on it.

One part of the bill recommended that alternate's names be placed on the ballot if a candidate were to be off campus for a prolonged period of time. One Cabinet member said that there should be no alternate system at all on Assembly.

## Plumbing Causes Flood in Nittany

A leaky faucet and a clogged drain caused a flood in Nittany 40 over the weekend.

According to Harold E. Sager, housing supervisor, the shower faucet began leaking and someone put a shower curtain over the drain.

This caused water to run out into the halls on Sunday night, he said.

Sager said that he did not know about the flood and no one had reported it.

Janitors took about two hours to clean up the water yesterday morning, he said

Miss Becky Hadden

As usual the annual Pink Elephant Sailor Brawl lived up to its reputation as one of the liveliest flings of the year.

And in contrast on the same Saturday night, was the Alpha Delta Pi formal at AGR. A delight to the eye.

It's been said (we said it) that the girls from Philly would be scholastic geniuses if they spent half as much time on their books as they do on their hair.

Regardless of facial expression, if the hair looks good, they'll buy the picture. If they look like a dream and one hair is out of place, then we've had it!

Bless them, their vanity keeps us on our toes.
