

# Lions Wind Up Season In Cleveland Invitational

Two sophomores and two seasoned veterans hold the key to a Penn State victory in the 2-mile relay tonight in the Cleveland Knights of Columbus Games.

Tonight's meet is the last on the indoor circuit for Penn State this year.

First year men Mike Miller and Steve Moorhead and veterans George Jones and Dick Hambright will attempt to come up with the victory that will restore some of Penn State's lost prestige.

The Lions, hampered by bad luck and injuries all year, have not measured up to pre-season forecasts and have won only once this winter, at Navy.

Although the relay team hasn't been successful around the indoor circuit this season, the potential and depth for a big win still exists.

Hambright and Jones are experienced performers, capable of coming up with a 1:54 or better and both looked sharp in practice this week.

Moorhead and Miller have picked up valuable experience over the season, and if they run up to potential tonight a few teams could be in for quite a surprise.

Last year in Cleveland, State's relay quartet of Ed Moran, Dick Engelbrink, Don Davies and Chick King clipped almost a second and a half off the old meet record when they defeated arch rival Manhattan. The time of 7:35.4 was only 1.4 seconds off the world record.

Sprinter Bobby Brown will run against Indiana's Eddie Miles in the 50-yard dash. Brown has worked hard on his starts in practice this week and will try to avenge a double defeat at the hands of the Hoosier dashman in Chicago and Milwaukee last week.

Moran, a grad student now, will switch back to the mile to-

night after taking the 1000 in Milwaukee Saturday.

The former Nittany great has not made up his mind about the Olympic tryouts and he said that he may enter either the 1500 or the 800 meter runs. By running both the 1000 and the mile in indoor meets this year Moran hopes to find the event which suits him best for the Olympics.

## Mantle OK, X-Rays Of Knee Are Negative

ST. PETERSBURG, Fla. (AP)—Mickey Mantle's knee injury turned out to be nothing more than a scare.

Dr. Sydney Gaynor, team physician for the New York Yankees, gave this report yesterday after the \$65,000-a-year outfielder underwent X-rays of his right knee at a hospital here.

Mantle's knee became inflamed during workouts and Mickey feared it might be a recurrence of the injury he suffered in the 1951 World Series.

"The X-rays show negative," Dr. Gaynor said. "That is, there are no bone chips and no pathology. It's more a scare than anything else."

# Phils Boss Hurls Blast At Veterans

CLEARWATER, Fla. (AP) — Philadelphia Manager Eddie Sawyer, his job on the line, issued a veiled warning to his veterans yesterday that he'll replace them with eager, inexperienced youngsters if they don't snap out of their 1959 doldrums.

"As far as I am concerned," said Sawyer, "every job on the club is open. Furthermore, if the kids look as good as the vets, they'll get the call. I'm tired of waiting for some of the so-called established players to help us."

Not a Philly batter hit .300 last year. The biggest disappointments were Richie Ashburn, since traded; Harry Anderson (.240), Wally Post (.200) and George Anderson (.218).

"I couldn't give you a starting team right now even if I wanted to," Sawyer said. "About the only department I can speak with some degree of assurance is the pitching staff."

"We have four good starters in Robin Roberts (15-17), Jim Owens (12-12), Gene Conley (12-7) and Don Cardwell (9-10). Our bullpen, headed by Dick Farrell and Jack Meyer, should be improved with the addition of Henry Mason, who won 12 of 15 decisions at Buffalo."

Sawyer is counting on Johnny Buhardt, (4-5) at Chicago last year, to gain a fifth starting spot. He figures Ruben Gomez, Taylor Phillips and perhaps Humberto Robinson for spot assignments. He is waiting to see how Curt Simmons' arm responds after an operation before passing judgement on the veteran left-hander.

At 9:30, the defense-minded Bears of California, ranked No. 2, tangle with the Bearcats of Cincinnati, voted the No. 1 team but rated three-point underdogs locally for the Cow Palace encounter.

Both the semifinals and tomorrow night's final long have been sold out with crowds of more than 16,000 assured both nights.

Ohio State with a 23-3 season record topped the nation in offense with an average of 91.6 points per game. Cincinnati with 27-1 averaged 87.1, NYU at 22-3 scored 74.5 and California, also 27-1, had a 62.9 average.

The Bears were the nation's best defensive club with an average of just 47.9 points. Ohio State gave up 70.9, Cincinnati 64.1 and NYU 63.3.

Last year at Louisville, California beat Cincinnati 64-58 for the NCAA title.

# Cousy Makes All-Star Team For 9th Year

NEW YORK (AP) — Boston's Bob Cousy, a near unanimous choice, yesterday was chosen on the All-Star team of the National Basketball Assn. for the ninth consecutive year.

The Celtics playmaker heads the five-man squad which also includes Wilt Chamberlain, Philadelphia's rookie whiz, Elgin Baylor of Minneapolis, Bob Pettit of St. Louis and Gene Shue of Detroit.

Cousy, Pettit and Baylor are repeaters. It's the sixth time on the All-Star for Pettit.

The team was picked on a vote of sports writers and broadcasters around the NBA circuit.

Cousy failed by only one ballot to become a unanimous selection.

# Indians Beat Cubs On Colavito Homer

TUCSON, Ariz. (AP) — Rocky Colavito's fourth homer in five games carried the Cleveland Indians to a 4-3 victory over the Chicago Cubs yesterday.
