

Plans Made For Addition To Ice Rink

Construction of a new addition to the ice skating rink building will begin this spring, Walter H. Weigand, director of the physical plant, announced.

Contractors are presently considering bids for a new storage-type shelter which will be used to house the new Zamboni ice-reconditioning machine recently purchased by the University.

"This spring and summer, the building will be constructed so it will be ready for next skating season," Weigand said.

Nick Thiel, assistant to the dean of the College of Physical Education and Athletics, said that the jeep-mounted ice machine is identical to those used at professional ice hockey games.

"The machine will completely recondition the ice in about 15 minutes," he said. "It has a blade which cuts the bumps off the ice, and melting units to clear the entire surface."

Campus Party Fails to Elect Clique Officers

Sixty students registered for Campus party last night bringing the total to 273.

But the gym meet proved to be too much competition as far as clique elections were concerned. John Brandt, who is still temporary clique chairman, said that "because of the lack of people here tonight, it wouldn't be fair to hold the elections."

Therefore, the party will elect their new clique officers at tomorrow's meeting when they will also make final nominations for their representatives in the coming elections. A party platform will also be decided tomorrow.

The meeting is scheduled for 7 p.m. in 121 Sparks.

At last Sunday's meeting, which was touched off by a charge against Brandt's right to the party chairmanship, Brandt was the only party nomination for All-University president.

No nominations were made for senior class president, SGA secretary-treasurer or vice president and tomorrow's meeting should bring up several names which to date have been unmentioned.

Three freshmen, two sophomores and two juniors were nominated last Sunday for sophomore, junior and senior assemblymen respectively.

New Overnight Rules Released

The Department of Housing has released a revised set of regulations regarding overnight guests in University residence halls.

Any student who desires to take an overnight in another University dormitory will be charged a \$1.00 fee for linen service. Clean linen for overnight guests is required and this fee must be paid in advance.

Arrangements must be made for all overnight guests. Student residents having a guest without making the necessary arrangements with housing will be subject to reprimand and will in addition be required to pay the regular guest charges.

To have an overnight guest, the student should first ask permission of his counselor or hostess who will issue the student a "Guest Permission Slip" if approval is given.

A woman student must obtain permission to take an overnight in accordance with the WSGA regulations.

LUCKY STRIKE presents

Dear Dr. Frood:

FROOD TELLS HOW TO CLEAN UP ON YOUR LAUNDRY

(see below)

Dear Dr. Frood: I told my girl I was in love, and she laughed. I told her I wanted to get married, and she laughed. How can I make her realize that I'm serious?
Serious

Dear Serious: Marry someone.

Dear Dr. Frood: I have been having trouble sleeping at night. Do you think it could be because I drink coffee?
Wide-Eyed

Dear Wide-Eyed: Possibly. It's very difficult to sleep while drinking coffee.

Dear Dr. Frood: A lot of the guys complain because their mothers don't pack their laundry boxes properly. Is there a certain way they should be packed?
Spokesman

Dear Spokesman: Indeed there is. Clip out the instructions below and mail them to your mother.

Clip and Mail

Instructions:

1. Place bills of varying denominations in shirt collars (A) to keep them stiff.
2. Wrap socks around rolls of dimes (B) to keep them from getting mismatched.
3. Place other change in pockets (C) of bhaki pants. This way it won't roll around and rattle in the box.

Dear Dr. Frood: Do you believe in the old adage, "Choose a girl by ear rather than by eye"?
Shopping

Dear Shopping: This maxim is indeed a fine guide for any young man who is looking for a girl. But while choosing by "ear rather than by eye," he should also make sure she has two of each.

Dear Dr. Frood: Every night I come home tired and I find the house in a mess. There are dirty dishes and pans in the sink, and clothes are thrown all around. I'm fed up. What should I do?
Married Student

Dear Married Student: You should notify the police. Someone has obviously been there.

Dr. Frood, Ph.T.T.

Dear Dr. Frood: How far ahead should I call for a date?
Straight Arrow

Dear Straight Arrow: It depends. Some girls must be called at least a week in advance. With others, you just holler as you enter the dorm.

Dear Dr. Frood: My husband is an absent-minded college professor. He went out 7 years ago to buy a pack of Luckies and hasn't returned yet. I don't know what to do.
Patience

Dear Patience: Better buy another pack. He's probably smoked them all by now.
